Thai-Chinese International School (TCIS) is a private, non-profit, co-ed day school founded in 1995 to provide an English language-based education for the Taiwanese community of Bangkok, as well as the Thai and other international communities. The school curriculum is an extension of progressive American standards-based programs that have been adapted to meet the expectations of the Taiwanese and Thai school community. Mandarin courses are taught with an emphasis on history and culture. English is the medium of instruction in all courses other than Thai, Mandarin, and other foreign languages. Thai students take both Mandarin and Thai language classes.

Total enrollment (K-12) this year is 600 students. 75% are ethnic Thai, 15% Taiwanese, and 10% other. There are 170 students in the high school (9-12) including a Senior Class of 28 students.

The school has a diverse international faculty with 75 fully qualified teachers (38 with Master's Degrees and 6 with PhDs) from 11 countries. The largest numbers coming from the United States, Canada, Taiwan, and Thailand. Other countries represented by our staff include Myanmar, the Philippines, Japan, South Korea, Sri Lanka, South Africa, New Zealand, and the United Kingdom.

TCIS is accredited by the Western Association of Schools and Colleges (WASC), the Thai Ministry of Education, and the Ministry of Education of the Republic of China. TCIS is also a member of the East Asia Regional Council of Overseas Schools (EARCOS).
