### March 2025/2026 Calendar

<b>Mar '26</b>	2	3	4	5	6	3	<b>Makha Bucha Day</b>
	9	10	11	12	13	13	End of Quarter 3
	16	17	18	19	20	16	Begin Quarter 4
	23	24	25	26	27	18-20	PD Days (No students)
	30	31					

Dear TCIS Family,

I hope this message finds you well. I would like to share a few important updates and invitations with our community.

**Classroom Technology & Model Classroom Update**

We are excited about the continued enhancement of our learning spaces across the school. Grades 1-12 will be equipped with BenQ displays, with installation beginning in the Middle School next weekend, followed by Elementary School and High School over the summer.

We are also introducing a newer 86-inch model, which will become our standard moving forward.

In addition, our Model Classrooms for both Elementary and High School are coming together beautifully and are looking great. These spaces will be ready for parent visits very soon, and we look forward to inviting you to campus to experience them firsthand.

**Construction Update**

We are happy to report that all construction projects are progressing on schedule. We appreciate your continued patience and support as we work to enhance our campus facilities for the benefit of all students.

Thank you, as always, for your partnership and trust. We look forward to welcoming you on campus soon to see these exciting developments firsthand.

**Education Fair**

Thank you to our Admissions and Marketing Team, Ms. Cheryl and Ms. Porkaew, for working so hard this weekend at the School Fair at the Intercontinental Hotel. A special shout out to all the heads of division for showing up and help throughout the day but especially to Mr. Tony, Ms. Jasmine, Ms. Jane, and Mr. Morris for spending the entire day with the team.

Regards,

Dr. Michael

Dear TCIS Family,

### WASC Accreditation

TCIS is proud to be a WASC-accredited school. This accreditation assures parents, students, teachers, staff, and the wider community that we meet the rigorous standards of a well-respected, independent American accrediting agency. We are excited to begin preparations for our upcoming accreditation visit in early 2027.

As part of this process, Dr. Michael, Mr. Kevin (high school principal), six teachers, and I attended the WASC Self-Study professional development training last week. Although we participated in this training before, it was a valuable opportunity to stay current with updates to the process. The self-study and accreditation journey is a meaningful time for reflection and growth. It involves the entire school community - including parents, students, teachers, staff, and community members - and we look forward to your active involvement throughout this process.

### Field Trip - Grades 1 & 2

On Tuesday, March 20th, 2026, grades 1 & 2 will go on a field trip of exploration at the Bangkok Children's Discovery Museum! We are very excited. Link: [Bangkok Children's Discovery Museum](#)      [Field Trip Poster](#)

Here are a few important field trip reminders that are in place for all field trips:

- **Departure**
  - Students may not travel directly to the location with a parent/guardian.
  - All students must arrive at school and travel to the field trip location using approved school transportation.
  - Students who do not arrive at school in the morning will be marked as absent.
  - Students arriving directly at the location will not be permitted to join the trip.
- **Return**
  - Students may not be picked up from the field trip location.
  - All students must return to school using approved school transportation.
- **Attire**
  - Students must wear the TCIS PE uniform unless otherwise specified and appropriate footwear.
- **Electronic Devices Not Allowed**
  - Students may not bring smart watches, phones, iMoos, cameras, or other communication devices.
  - Devices will be collected before departure and returned to students at the end of the school day.
- **Parents**
  - Parents/guardians are not permitted to attend field trips.

Kind regards,

Dr. James      [james.cooke@tcis.ac.th](mailto:james.cooke@tcis.ac.th)

**Grades 1 & 2**

# **FIELD TRIP!**

**Tuesday, 24 March**

## **Bangkok Children's Discovery Museum**

**Exploring, Learning & Having Fun!**  
*Hands-on exhibits, science activities, and creative play!*

**Cost:  
THB 300**

**Permission Forms:  
Sent Home: Friday, 27 February  
Due Back: Friday, 6 March**

Dear TCIS Family,

We would like to inform you that we are currently developing model classrooms for both elementary and high school students. The construction and setup are expected to be completed by the end of this month.

In these newly designed classrooms, we will be installing interactive TVs, which will become the standard equipment in our classrooms moving forward. This enhancement is part of our commitment to improving the learning environment and integrating modern technology into teaching and learning.

We will keep you updated on our progress and look forward to sharing the completed classrooms with you soon.

Below are the photos of the elementary classes followed by photos of the high school classes on the next page.

Ms. Apple  
Business Manager

## KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means everyone under the age of 18.

Children need the right help at the right time to address risks

Remember 'it could happen here' where safeguarding is concerned.

We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

# TCIS School-Wide Learner Outcomes: Part of Everything We Do

## Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

## Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

## Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

## Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

## Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

## Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

## Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

## Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear Parents,  
Sweeney, Airin, Kate, Cherlyn, Maya and Tubao approach tasks with enthusiasm and curiosity, and their confidence continues to grow. Socially, they are at their happiest when engaging with their peers. They play fairly, share resources willingly, and collaborate effectively with one another. They are developing strong interpersonal skills, showing kindness, cooperation, and an understanding of working together as part of a group.

Dear Parents,

The PK3As developed a richer vocabulary as they learned the difference between living and nonliving things. Through hands-on activities, they learned new words like “grow,” “move,” “breathe,” and “change.” They carefully observed and sorted different objects to understand what makes something alive or not alive. As they compared, asked questions, and shared their ideas, they strengthened their critical thinking and reasoning skills. This unit also supported their speaking confidence, listening skills, fine motor development, and teamwork

Dear Parents,  
In Chinese class, we have started our transportation topic. Children made paper airplanes and had the chance to design their own airplanes. We also used different shapes to create a boat. PK3B students fine motor skills are getting stronger. They are becoming more confident with cutting, folding paper, and pasting shapes. It is also wonderful to see that their friendships are growing. They are happy to learn and play together. Thank you for your continued support. We look forward to more fun learning together in the coming weeks.

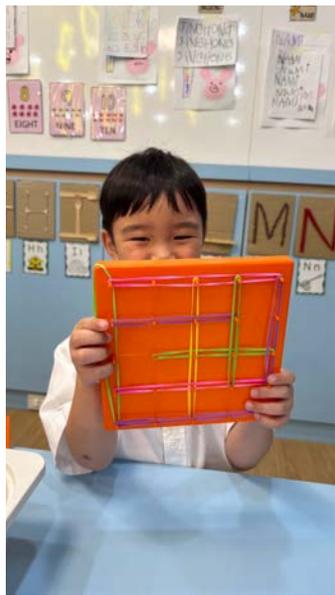

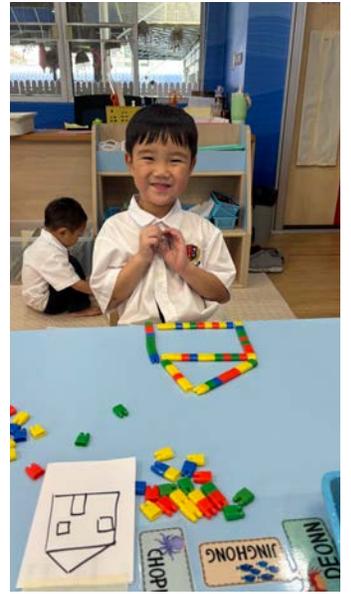

Dear Parents,

This week, our class is exploring the fascinating world of **living and non-living things**. Through hands-on activities, students are closely observing **roses** to help them think about what makes something living. They are sharing their ideas by drawing pictures to show their conclusions and practicing how to explain their thinking. It is wonderful to see students collaborating, observing carefully, and sharing their ideas with confidence!

Dear Parents,

PK4 A students are blooming as the year progresses. We had a wonderful time celebrating Valentine's Day by making arts and crafts together. In our literacy activities, we worked on short vowels and practiced decoding short "a" and "i" word families. The children also enjoyed exploring word writing in colored sand, which made learning both fun and engaging. We listened to stories and spent time reading books together, building a love for reading.

I am very impressed with the effort the students are putting into their learning and the confidence they are gaining each week. Way to go, PK4 A keep up the wonderful work!

Dear Parents,  
Our PK4 students continue to make wonderful progress. During the ECE Assembly, they sang their Chinese songs loudly and confidently in front of everyone. We are very proud of their courage and effort. We also enjoyed a lovely Rose & Chocolate Day together. The children made heart necklaces and shared the joy of giving. Recently, we started learning about healthy foods and how to make better choices in our daily lives. The children are beginning to understand the importance of eating healthy and taking care of their bodies. Thank you very much for your continued support.

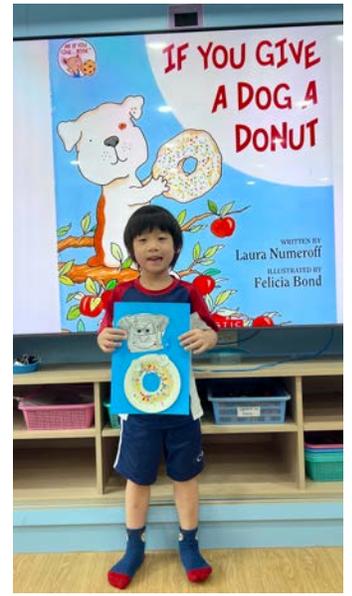

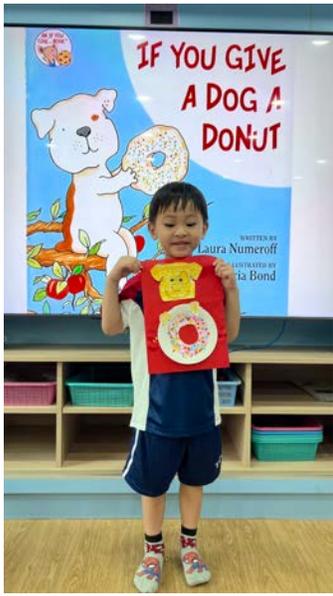

Dear Parents,  
We have had a wonderful time learning in our classroom! The students have been exploring the concept of sequencing through engaging read-alouds by Laura Numeroff. These stories have helped them understand the order of events and build their comprehension skills in a fun and meaningful way. In STEM, we have been learning about life cycles, focusing on frogs and butterflies. Students are fascinated by how these animals grow and change, and they are beginning to understand the different stages in each life cycle. Overall, the class is doing very well and continues to show great enthusiasm for learning. We are so proud of all the progress they are making each day!

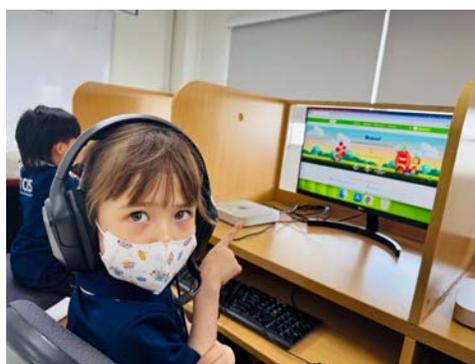

Dear Parents,

Over the past few weeks, our classroom has been filled with creativity, joy, and meaningful learning experiences as our students continue to grow as readers, writers, mathematicians, and scientists. A highlight was our celebration inspired by the imaginative stories of Dr. Seuss, where children explored storytelling through crafts, discussions, and a fun “green eggs and ham” food activity. We were also delighted to welcome Mr. Guan as our guest reader for a special read-aloud, inspiring our students’ love of books. In class, our Super Readers practiced making inferences and discussing story messages, while our young authors explored rhyming words and developed their writing through drawings and simple sentences. In Math, phonics, and science, students strengthened their skills in skip counting, addition and subtraction, blending sounds, building confidence with vowel patterns, and observing and tracking the weather. A joyful few weeks of creativity, curiosity, and growing minds in Kindergarten!

Dear Parents,

This month in our Chinese class, we have been learning about the position of objects. Students practiced how to describe where things are, such as "on," "under," "in", and "out of." They really enjoyed learning through games, and it helped them remember the words more easily.

For student wellness and health. We would keep encouraging children to wear masks when needed, wash their hands with soap, and avoid touching their eyes, nose, and mouth after contact with others.

Thank you for your support!

Dear Parents,

It has been a busy and exciting time in kindergarten! Students learned about different types of weather during our weather unit and explored fun facts about Dr. Seuss while celebrating his birthday with engaging activities. We also celebrated several student birthdays and wrapped up our writing unit by publishing our first personal narrative stories. We are proud to share that we have completed the third quarter and have seen so much growth in our students. We look forward to all they will continue to achieve in the final quarter!

Dear Parents,

PK2 students learn the meanings of the Thai alphabet every day. They practice reading, enjoy craft activities, and have fun learning together in Thai class. KG students practice reading and learning spelling as an important foundation for Thai reading in Grade 1 next year. In Thai class, students develop their reading and writing skills every day through regular practice and engaging activities

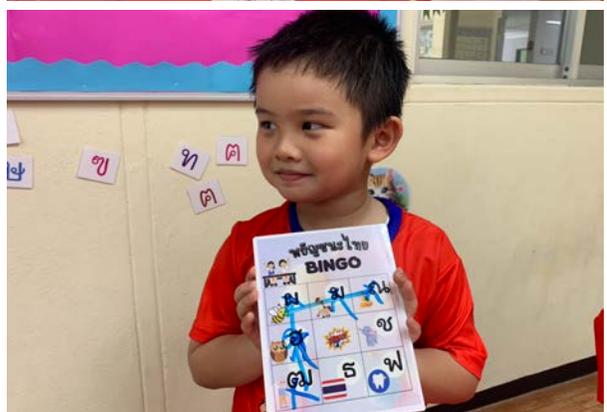

Dear Parents,

This month, our PK3 and PK4 students enjoyed engaging in language activities through play-based learning. PK3 explored the Thai consonant “ข” by creating paper chains, developing both creativity and fine motor skills. Meanwhile, PK4 participated in a fun Bingo game to strengthen their Thai consonant recognition and observation skills. We are proud of their enthusiasm and progress!

Dear Parents,

Over the past few weeks, we have been learning about transportation in Chinese class. The students learned different types of transportation, such as cars (qìchē), trains (huǒchē), airplanes (fēijī), and boats (chuán), and also practiced the sounds these vehicles make.

We worked together to create a big train collage, read many Chinese books related to transportation, and enjoyed dancing and playing games in class. PK2 students are truly having fun while learning Chinese!

Dear Parents,

Our little learners had a blast this week as the gymnasium transformed into a giant game of Twister! Students put their bodies to the test by identifying body parts and practicing their right and left sides – all while giggling and balancing their way through every colorful move. As they reached, stretched, and stepped, children reinforced key vocabulary like shoulders, elbows, knees, and hips in the most hands-on way possible.

# Pre K / Grade 2 Menu C

Week Day Date	Monday	Tuesday	Wednesday	Thursday	Friday
Morning Snack	Banana Cake	Chicken Ham Sandwich	French Toast	Mini Croissant	Chocolate Muffin
Salad	Salad	Salad	Salad	Salad	Salad

## Personal Data Protection Act (PDPA)

### The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"><li>● racial or ethnic origin</li><li>● political opinions</li><li>● religious or philosophical beliefs</li><li>● sexual behavior</li><li>● criminal records</li><li>● health data, disability</li><li>● trade union information</li><li>● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul>

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

<https://www.tcis.ac.th/pdpa>

[TCIS Yearbook 2024-25](#)

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
