

THAI-CHINESE INTERNATIONAL SCHOOL

HIGH SCHOOL PROFILE 2026-2027

Thai-Chinese International School (TCIS) is a private, non-profit, co-ed, day school founded in 1995 to provide an English language-based education for the Taiwanese community of Bangkok, as well as the Thai and other international communities. The school curriculum is an extension of progressive American standards-based programs that have been adapted to meet the expectations of the Taiwanese and Thai school community. Mandarin courses are taught with an emphasis on history and culture. English is the medium of instruction in all courses other than Thai, Mandarin, and other foreign languages. Thai students take both Mandarin and Thai language classes.

Total enrollment (PreK-12) this year is 630 students. There are 185 students in the high school (9-12) including a Senior Class of 45 students.
