Please Keep Sick Children Home From School

Stay Home with These Symptoms:

- High Fever
- Persistent coughing
- Diarrhea
- Vomiting
- Headache
- Stomach ache

Stay Home if Diagnosed with:

- Influenza
- Conjunctivitis (pink eye)
- Pneumonia
- Norovirus
- Human Metapneumovirus (hMPV)
- Hand-Foot-Mouth
- Respiratory Syncytial Virus (RSV)
- Any Contagious Disease/Illness

Keeping a sick child at home will help them to recover and will protect other students at school

COFFEE MORNING

Week Without Walls

Thailand

Vietnam

Japan

PREPARING FOR ADVENTURE!

Join us at **7:45 am on Wednesday, June 04, in the 360 auditorium** as we present our trip details and provide information to help prepare for our travel. We will host two sessions in the 360. You are welcome to attend one or both sessions. The Coffee Morning will be recorded, and a video will be sent to all parents. We look forward to seeing you there! Doors open at 7:30 am.

MIDDLE SCHOOL: 7:45-8:30 AM

HIGH SCHOOL: 8:30-9:30 AM

Dear TCIS Family,

It has been a wonderful week at TCIS, with just a few weeks left before the summer break!

We were thrilled to officially open our ECE Model Classroom, and we sincerely thank all the parents and teachers who visited, offered feedback, and shared ideas. Your suggestions are invaluable as we move forward—renovations on the remaining nine classrooms will begin this summer. Please continue to send any additional input directly to me via email—we welcome your voice in shaping the future of TCIS.

Meanwhile, excitement is building across campus as major summer construction projects are set to begin soon. From new learning spaces to upgraded facilities, this is a season of transformation!

We're proud to celebrate the incredible talent and confidence of our high school students who recently competed in our Annual Speech Contest! After a powerful showcase of public speaking, storytelling, and persuasive skills, the results are in:

1st Place: Owen (10th Grade)
2nd Place: Alex (11th Grade)
3rd Place: David (11th Grade)

The Seniors presented their cap designs for this year. They are truly spectacular. You can see them in the High School Office and they will also be on display at the graduation this Friday. Congratulations to: Mike, My, Peter, and Prim (the winners for 2025).

Finally, congratulations to Ms. Cheryl, Lili, and Luffy, the winners of our 30th Anniversary Logo Contest! We're proud of their creativity and excited to showcase their designs as part of our celebration.

Let's keep the positive momentum going as we head toward the final stretch of the school year!

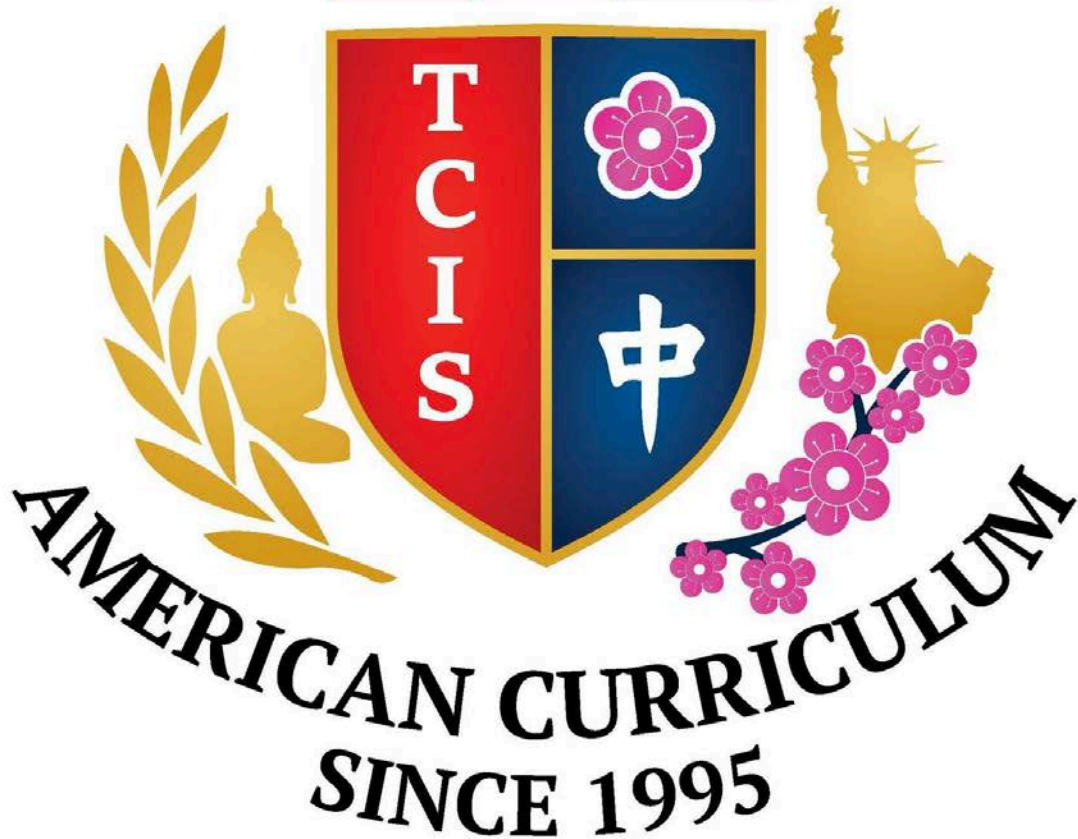

Regards,

Dr. Michael

30 YEARS ANNIVERSARY CELEBRATION

30 AUGUST 2025

TCIS - SLOS

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear TCIS Family

New PK2 Classroom

The new PK2 was opened for viewing to students, parents, and teachers. The feedback has been highly positive. Parents and teachers commented on the bright welcoming atmosphere of the room, the large TV, the extensive whiteboard space, ample storage bins, and the large and well thought-out children's bathroom. This model room will serve as a design inspiration for the renovation of our PK3, PK4, and KG classes over the summer.

[New PK2 Classroom Photos](#)

Kindergarten Reader's Theater Event Success!

Thank you to **Ms. Joy** for organizing the delightful Kindergarten Reader's Theater Event last week. Students were thrilled to present their books and act out the stories for their attentive mommies and daddies. The pride and laughter on parents' faces was abundant as they were fully engaged in their children's performances. These parent-invited events have become one of the highlights of the school-year, with each event receiving positive feedback from parents and the community.

[KG Reader's Theater Event Photos](#)

MAP Testing

Our scheduled MAP tests are all completed. Thank you to our teachers for all their hard work. On Wednesday, June 4th, 2025, we aim to complete all make-up tests for students who missed the original date due to illness or being absent.

ELL Safari Event - **ELL Parents Invited**

On Thursday, June 5th, 2025, **Ms. Mikia** will host an ELL Safari Event for her ELL class. This culmination event will provide students with an opportunity to display their progress in English to parents in a comfortable and fun setting. **Parents of students in Ms. Mikia's ELL class are invited** to attend this exciting event. [ELL Safari Event Poster](#)

KG and Grade 4 Promotion Ceremonies

It is almost time to celebrate the kindergarten and grade 4 promotion ceremonies. Both ceremonies will take place on Wednesday, June 11th, 2025. **The Kindergarten Promotion Ceremony will begin at 8:00am** and will be followed by the **Grade 4 Promotion Ceremony at 10:30am**. These culmination events celebrate all the work students have put in over the years and also act as a step towards their future as they progress into elementary school and middle school, respectively.

ES Talent Show!

THURSDAY JUNE 12TH

8:00AM

5TH FLOOR GYM

Parents are invited
to join in and
perform with their
students!

Dear High School Parents,

Grades 9,10 and 11 students are busy with taking exams through Wednesday, June 4 while the Seniors have been practicing and preparing for their graduation. Rehearsals are Wednesday, June 4 and Thursday June 5. Seniors will be graduating on Friday morning, January 6, 2025. We also have the prom coming up on June 7.

Our high school students demonstrated their amazing English speaking skills at the recent TCIS Speech contest coordinated by Ms. Haley. We also had an incredible performance directed by Ms. Madeline that combined the students' musical and acting talents through a musical mystery concert, in "The Final Rehearsal." Very impressive!

We are excited to invite you to our Parents' Coffee morning on Wednesday, June 04 at 7:45 am in the 360 auditorium. We will present our 2025 Week Without Walls trips and provide information to help prepare for our travel. We will host two sessions in the 360. You are welcome to attend one or both sessions. The Coffee Morning will be recorded, and a video will be sent to all parents. [Week Without Walls Poster](#)

- MS: 7:45-8:30 am
- HS: 8:30-9:30 am

We look forward to seeing you there! Doors open at 7:30 am.

Regards,

Kevin Curran
Head of High School

Grade 4-11 Parents should attend this coffee morning!

PREPARING FOR ADVENTURE!

Join us at **7:45 am on Wednesday, June 04, in the 360 auditorium** as we present our trip details and provide information to help prepare for our travel. We will host two sessions in the 360. You are welcome to attend one or both sessions. The Coffee Morning will be recorded, and a video will be sent to all parents. We look forward to seeing you there! Doors open at 7:30 am.

MIDDLE SCHOOL: 7:45-8:30 AM

HIGH SCHOOL: 8:30-9:30 AM

Dear Middle School Parents,

As the school year quickly winds down, it has been a bustling and exciting time on campus. Students have been working diligently to complete their projects and assessments. Yet, they continue to remain engaged in school life, participating in events such as Wolf Day, assemblies, and various extracurricular activities.

NWEA MAP Testing

We've completed the first week of MAP testing. One final testing session remains. The rest of the week will focus on make-up sessions for students who were absent or need additional time. I will email both students and their advisory teachers with the schedule.

Student Council 2025–2026

Our current Student Council recently hosted elections for next year's representatives. Candidates spoke thoughtfully about their accomplishments and goals, and our middle school students listened attentively, casting their votes responsibly. The Student Council plays a vital role in giving students a voice, fostering leadership, and helping them understand and engage with democratic processes, thereby laying the groundwork for future civic participation.

Murder Mystery Performance

Ms. Madeline led a fantastic interactive Murder Mystery performance, where the audience helped solve the case! The event highlighted the musical and dramatic talents of students in Grades 6–8. I'm especially proud of our Grade 8 performers, who have grown so much over the past two years. Keep an eye out for the performance video—coming soon!

Sumobot Tournament

I had the pleasure of attending the Grade 7 Sumobot Tournament, where students showcased their robotics, engineering, and coding skills. Under the guidance of Ms. Shanesz, students tested their robot designs in competitive matches to determine the ultimate "Sumobot Yokozuna-bot." The energy and creativity on display were inspiring!

Swimming Wrap-Up

This week, Grade 5 and 6 students completed their final swimming classes of the year. Alongside developing essential skills and water confidence, students also enjoyed singing, splashing, and celebrating their progress. It was a joyful way to cool off and wrap up this part of their PE program.

IMGO

We had our final meeting to prepare for the upcoming International Math Genius Olympiad session. Next week, nearly 30 middle school students will compete against their peers across Thailand during the first session on June 7. Student gave up their free time and advisory to prepare, and I am beyond proud of their dedication and math skills!

Our Schoolwide Learning Outcomes are part of everything we do at TCIS

Dear Parents,

This year has been a wonderful journey for our PK2 students! Throughout the year, Micha, Jing Hong, Pordee, Tiger, and Eddie have shown tremendous growth in all areas of development. They gained confidence in themselves and their abilities, becoming more independent in their daily routines and classroom tasks. They developed foundational skills across language, early math, motor coordination, and social-emotional learning — skills that will serve them well as they transition to the next grade level.

Most importantly, this year was filled with joyful memories. The children formed strong friendships and enjoyed countless moments of fun and laughter through play, dancing, singing, painting, and exploring the world around them. Their creativity and enthusiasm brought so much life to our classroom every day. We are incredibly proud of each child's progress and are excited to see all they will continue to achieve in the years ahead!

Dear Parents,

Our PK3 students truly enjoyed our transportation unit, exploring different modes of travel through engaging stories, songs, and crafts. Seeing their excitement and curiosity as they learned about vehicles, roads, and journeys was a joy. As we wrap up this fantastic, fun-filled year of growth and discovery, we reflect on how much our little ones have blossomed in confidence, independence, and learning. Their positive attitude and eagerness to attend school each day have been inspiring. We are so proud of all their accomplishments, both big and small. As they move forward, we wish them continued joy in learning, lasting friendships, and success in all that lies ahead. May they carry the happy memories and strong foundations built during their time in PK3.

Dear Parents,

May has been a wonderful month!

Thank you to Ms. Rebekah for organizing the ECE Spring Concert. We enjoyed hearing our little musicians sing beautiful songs.

This month, we also explored the theme of "**Occupations.**" The children really enjoyed role-playing and exploring different occupations! We look forward to more learning and fun in June!

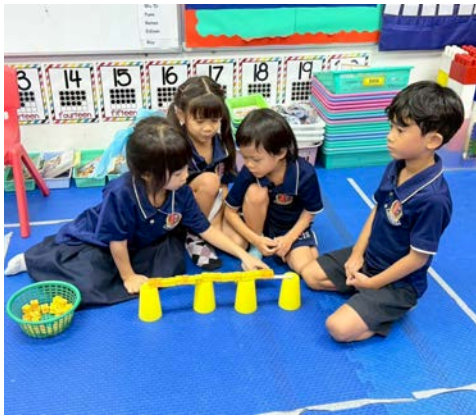

Dear Parents,

Our PK4 students have been busy developing their literacy, math, and observation skills through fun and meaningful activities. In science, they explored the concept of sinking and floating with a hands-on experiment. Each child selected five objects, made predictions, and tested them in water. It was a fantastic way to spark curiosity and encourage critical thinking! We also enjoyed a teamwork challenge where students were given four cups, some cubes, and four popsicle sticks to build a bridge strong enough to hold as many cubes as possible. Working in small groups, the children brainstormed, planned, and collaborated wonderfully. Their creativity and teamwork were truly impressive!

Dear Parents,

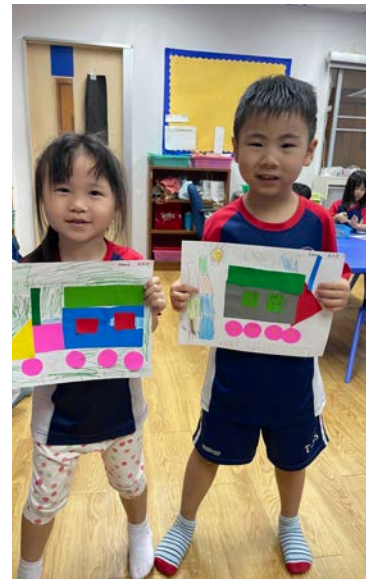

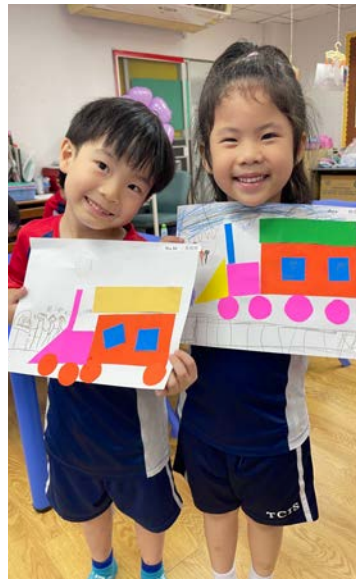

Our kids have made wonderful progress in their learning this month! They have been learning to tell time and can now recognize both the hour and half-hour marks. To support their understanding, the children made their own clocks in class.

In addition to learning about time, the children explored different types of transportation. They learned about vehicles that travel in the sky, on land and in the water. Using a variety of shapes, they created their own trains and added creative background scenes to bring their projects to life.

We also began introducing various community helpers. The kids are learning about different jobs and the importance of people who help us every day. They are beginning to understand the value of gratitude and appreciation for these professions. We are so proud of their continued curiosity and growth.

Dear Parents,

As we approach the end of a wonderful school year, our KGA students continue to impress us with their focus, creativity, and growing independence. In language arts, they have been writing persuasive pieces and thoughtful petitions on how to make our school and the world a better place. They've also been applying reading strategies with confidence as they bring characters to life through engaging Reader's Theater performances.

In math, their curiosity has led them to explore both flat and solid shapes, identifying these in real-world objects around the classroom and beyond. Their ability to connect learning to the world around them shows just how much they've grown. I am proud of their efforts and all they've achieved this year!

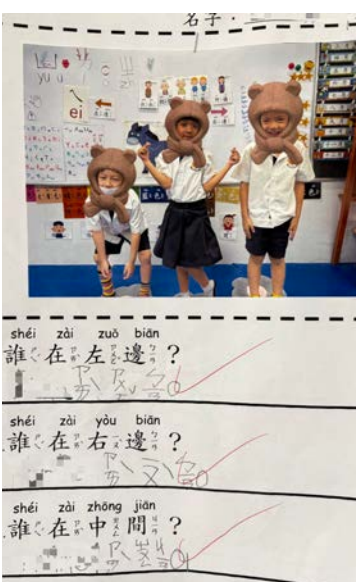

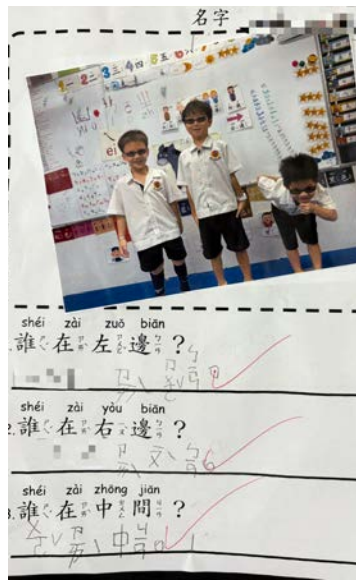

Dear Parents,

Over the past few weeks, our class has been exploring the exciting theme of transportation! The children had so much fun learning about different vehicles, how they move, and where they take us. We also had a wonderful time at last week's music concert! A big thank you to Ms. Rebekah, whose hard work and dedication made the event such a great success. The children truly shined on stage and made us all so proud! Looking ahead, next month brings new challenges and exciting events, including our promotion ceremony. We can't wait to celebrate all the growth and achievements of our little learners together.

Dear Parents,
PK2 students practiced Thai consonant pronunciation, basic speaking and reading skills, and fine motor development through fun classroom activities. They have shown impressive growth and readiness for the next school year. Our KG students have been practicing spelling, word blending, and vowel recognition in Thai class to prepare for reading in Grade 1 next academic year. They have shown great focus and determination in completing each lesson.

Dear Parents,

After a year of hard work and learning, our PK2 students are about to move up to PK3! Over the past year, they have gone from being unfamiliar with Chinese to learning a lot of vocabulary and interacting more with their teachers in Chinese—it's truly adorable to see! Recently, we have been reviewing previously learned vocabulary in class while also having a lot of fun—singing Chinese songs, dancing, and of course, enjoying arts and crafts. The students really love and enjoy these activities. We believe that this sense of achievement will give them even more confidence as they enter the new school year.

Dear Parents,

The Pk3 students learned about sculpting spherical shapes by creating clay beads. Later, as they explored sculpture making, they used the beads they had previously made and combined them with colorful plastic beads and pipe cleaner to connect the pieces to a beautifully painted art base. Once everything was assembled, it resulted in the lovely sculpture seen here. The students worked neatly and beautifully, and their efforts are truly admirable. Keep up the great work!

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">• racial or ethnic origin• political opinions• religious or philosophical beliefs• sexual behavior• criminal records• health data, disability• trade union information• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

Nurse Arisara Suktrakool (Yok)
