NEWS

Dear TCIS Community,

It was a short but busy week here at TCIS. We had our Elementary School concert (photos below) for grades 1-4, a PK2 and PK3 field trip (photo above), the soi cleanup and a beautiful program for Father's Day (photos posted earlier to Facebook).

In addition to the cultural celebrations and school events, our academic focus in class is strong. Students work hard each day learning new skills and applying those skills in relevant contexts. We also work each day to develop our social and emotional skills to make us well-round global participants. We invite you to our next Tuesday assembly to honor our ESLR award recipients for just that - being Global Participants. Please note, we'll be in the 360 this week. We love a stage!

Have a great week everyone!

Dr. Betsy

Head of Elementary School

COMMUNITY

Please join us for our second Google Classroom Workshop on 12 Dec immediately following our assembly (library computer lab). All parents are invited to attend and learn more about using Google.

STUDENT NEWS

We will honor our ESLR award recipients in the 360 this week.

We will also create a new bulletin board near the school office to highlight these students and our ESLR focus - this month it is **Responsible Global Participants**.

Students in PK2 and PK3 loved their field trip this week. Learning happens everywhere - not just in the classroom, so we appreciate your support of our out of class learning. Thank you.
