NEWS

Dear TCIS Community,

We had a great first week back. The students were extremely engaged, positive and excited to be back learning and with their friends.

The teachers were also excited to be back and spent time reviewing good student behaviors and also jumped right into academics.

Finally, our parents were busy as well. We met with parents to begin planning the KG and 4th grade promotion ceremonies, we had our first Principal Coffee of 2018, and we welcomed new families with a new family orientation.

Each of these collaborative meetings will continue throughout the year as we want to welcome new folks and make sure veterans have the opportunity to collaborate on the many fun events we have at TCIS. We're off to a great start!
