NEWS

Dear TCIS Community,

As I walked through our classes this week, I saw students preparing for the **student-led conferences**.

They were doing this by **organizing and reflecting** on all they have done and learned this year. Being able to speak about their work requires a thoughtfulness, mindfulness and confidence that will serve them throughout their lives.

We are very proud of our students, so my hope is that you will take a moment to **celebrate their efforts** and accomplishments as a family because, as parents, you were their first teachers, and if no one has told you lately - great job to you for raising truly wonderful children. Keng Mak!

Have a great week everyone!

Dr. Betsy
