Dear Dr. Michael Purser:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) has determined that the accreditation for Thai-Chinese International School (K-12) is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2027. Congratulations on this achievement. This status is based on the information and evidence provided by the school, including the school's progress report, and the satisfactory completion of the mid-cycle accreditation visit that demonstrates the school meets the ACS WASC criteria.

Accreditation status is conditioned upon Thai-Chinese International School's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Thai-Chinese International School's anticipated success and continuous improvement in keeping with ACS WASC's commitment to support each school in strengthening its internal capacity and systems of accountability for ensuring high quality learning, and well-being of all students. Congratulations once again.

Sincerely,

Barry R. Groves, Ed.D.
President
