June 2024/2025 Calendar

June '25	2	3	4	5	6	3	Queen's Birthday 3 : School Closed
	9	10	11	12	13	6	High School Graduation
	16	17	18	19	20	12	End of the Year/Student Dismissal at 11:30 am (Semester 2 - 89 days)
	23	24	25	26	27	13	PD Day (No Students)

Please Keep Sick Children Home From School

Stay Home with These Symptoms:

- High Fever
- Persistent coughing
- Diarrhea
- Vomiting
- Headache
- Stomach ache

Stay Home if Diagnosed with:

- Influenza
- Conjunctivitis (pink eye)
- Pneumonia
- Norovirus
- Human Metapneumovirus (hMPV)
- Hand-Foot-Mouth
- Respiratory Syncytial Virus (RSV)
- Any Contagious Disease/Illness

Keeping a sick child at home will them to recover and will protect other students at school

Dear TCIS Family,

This week's High School Graduation was nothing short of amazing — a heartfelt celebration of the journeys, accomplishments, and bright futures of our seniors. The daytime ceremony was filled with emotion, joy, and pride, and we couldn't be more excited for the Class of 2025 as they take their next steps into the world.

A huge thank you to Ms. Ally for organizing the event and serving as one of our MCs. Special thanks to her fellow MCs, Ms. Jane and Kru Buab, for guiding the ceremony with warmth and grace. We also deeply appreciate Ms. Madeline and Dr. Li Chou for the beautiful music, and the GA team for all the behind-the-scenes set-up and support.

Congratulations to Jia Jai and My for their heartfelt and inspiring speeches — and an extra round of applause to Jia Jia, this year's Student Achievement Award winner!

Thank you to Mr. Kevin for a memorable speech that turned into a surprise performance — a fun and unforgettable moment — and to Mr. Tim for delivering a thoughtful and meaningful faculty address.

We're grateful to all the secretaries, teachers, and staff who helped make the event a success. A big shout-out to Ms. Catt for being everywhere at once, always ready to lend a hand. Thank you to our Marketing Team for capturing the special moments, to Ms. Apple and the Admin Team for their steady leadership, and to Ms. Carol for coordinating communication with the Board.

On the same day, we also held a Foundation Board meeting, which was incredibly positive. The Board continues to be highly supportive of all the amazing things happening at TCIS, and their encouragement helps us move forward with confidence and excitement.

We are so proud of our graduates and thankful to the entire TCIS community for making this event so memorable. Best of luck, Class of 2025 — your future is bright, and we'll be cheering you on every step of the way!

Regards

Dr. Michael

Dr. James' Message

Dear TCIS Family,

ELL Safari

Thank you to **Ms. Mikia** for inviting parents to celebrate their children's learning from ELL class during the informal ELL Safari event. Students presented their research to parents, and showed their progress in learning English. [ELL Safari Photos](#)

Elementary School Council - Thank You

Thank you to **Kru Cream** and **Ms. Brianna** for leading the wonderful members of our TCIS Elementary School Council (STUCO) all year. These young leaders were fantastic role models for our students, and they had a great impact on our school. Some of the highlights of STUCO were making posters to help students keep the school clean and safe, assisting during events such as the ECE Earth Day Events and parent-invited events, being MCs during our monthly SLO assemblies, organising the monthly themes for our non-uniform days, and, importantly, being a voice for our elementary students. As a thank you for all their efforts, the student council were rewarded with a trip to Harborland where they had a blast unwinding after their hard work as STUCO members. [STUCO Harborland Photos](#)

KG and Grade 4 Promotion Ceremonies - Parents Invited

It is time to celebrate the kindergarten and grade 4 promotion ceremonies. Both ceremonies will take place on Wednesday, June 11th, 2025 in Gym 5. **The Kindergarten Promotion Ceremony will begin at 8:00am** and will be followed by the **Grade 4 Promotion Ceremony at 10:30am**. These culmination events celebrate all the work students have put in over the years and also act as a step towards their future as they progress into elementary school and middle school, respectively. Parents of students are invited to attend, and each grade level will be provided time to use the ECE playground to take photos and to celebrate their achievements. [KG Promotion Poster](#) [Grade 4 Promotion Poster](#)

TCIS Elementary Talent Show (KG - Grade 4) 🎤

In a year full of events and parent-invited activities, we will end the year on a high note with the highly anticipated TCIS Elementary Talent Show (KG - Grade 4). **All parents are invited to attend**. The event will take place in the 5th floor gym at:

- 8:00am, Thursday, June 12th, 2025 [TCIS Talent \(KG - Grade 4\) Show 2025 Poster](#)

Grade 4 Device Recommendations for Middle School

Here are some device recommendations for grade 4 students as they move into grade 5. [Device Recommendations](#)

Kind regards,

Dr. James james.cooke@tcis.ac.th

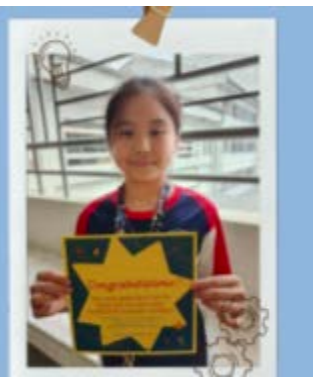

ES Student Council 2024/2025: Thank You for All That You Accomplished!

Grade 4 Student Council

Grade 3 Student Council

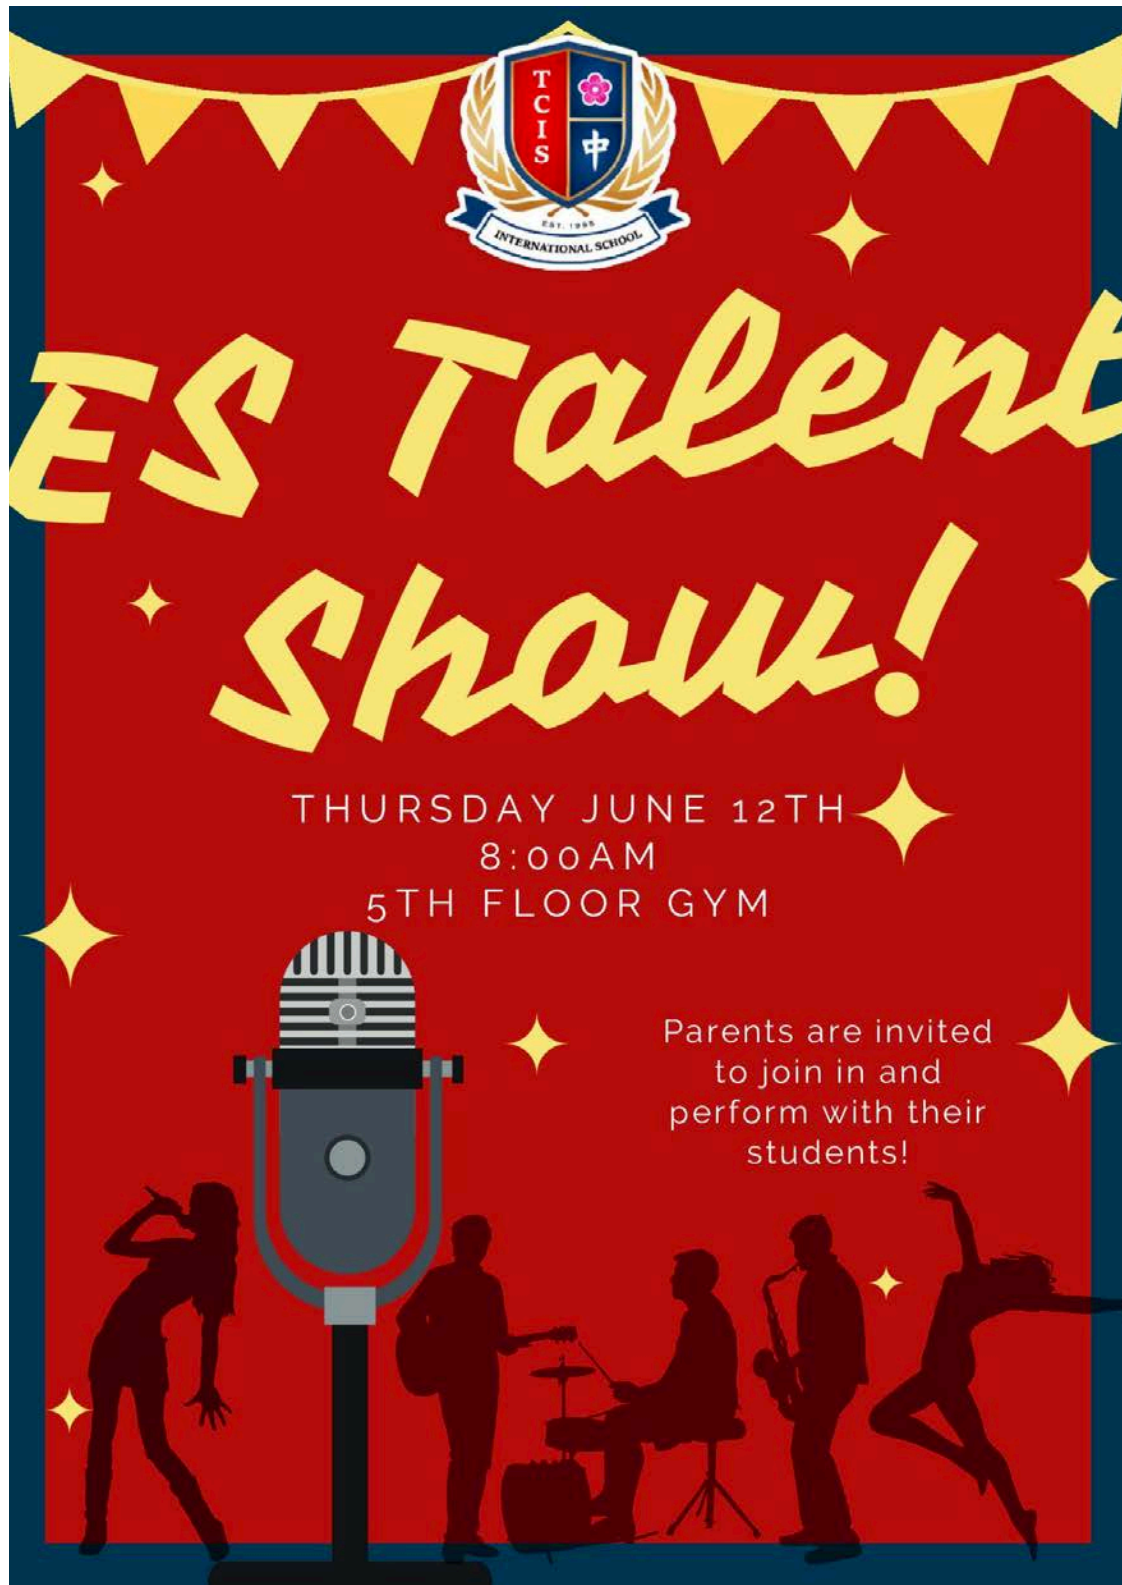

Grade 2 Student Council

ATTENTION GRADE 4: Device Recommendations of Grade 5 Middle School

Dear Grade 4 Parents,

As you celebrate next week on your child's promotion to middle school, I wanted to leave you with recommended devices before the break. We will have laptops for students to borrow, but it is recommended that they have their own device. Based on previous years, students have taken better care of their own devices than the borrowed laptops. In some instances, parents have had to pay for laptops that were broken. We use higher-spec laptops, so repair is higher than the minimum specs.

Please review the options below and do not hesitate to email me if you have questions:

richard.poulin@tcis.ac.th

BEST OPTION: MacBook Air

The MacBook Air is the ideal device, especially for students who are ready to use technology responsibly and can take excellent care of their belongings. There is a student discount available when purchasing a MacBook Air from Com 7 or directly from Apple, provided you show a student ID card. The lowest-spec MacBook Air is enough to last students all four years of middle school. Please get a warranty, case, and bag.

CHEAPEST OPTION: Chromebook

A Chromebook is the most affordable option, and students can use it for Grades 5-6. Chromebooks are inexpensive in the USA and other countries if you are traveling this summer. Lazada offers affordable options, but it can be challenging to obtain service or process warranty claims. You can buy directly from the Acer store. The minimum specs are at least 4GB of RAM, 128GB of storage, and a 14-inch display.

Dear High School Parents,

First off, I want to congratulate our seniors who graduated on Friday, June 6, at TCIS. We had a wonderful ceremony that included strong speeches, awards and amazing performances. For those who missed it, check out this short [graduation video](#) created by Jupiter and Pei Pei.

At TCIS, we are very proud of our art students as they are constantly displaying their talents. Check out the amazing work our National Arts Honor students have been doing. They created wall art using recycled materials as they decorated the third floor of the high school building. [Click here](#) to see an art department's video created by Ms. Elizabeth.

Week Without Walls Payment Reminder:

The total cost of the 2025-2026 **9 and 10 Vietnam trip** is 35,000 Baht. Please note that a **20,000 Baht deposit is required by June 10** to reserve your child's spot. The remaining balance of 15,000 Baht will be due on August 28.

The total cost of the 2025-2026 grade **11 and 12 Japan trip** is 50,000 Baht. Please note that a **20,000 Baht deposit is required by June 10** to reserve your child's spot. The remaining balance of 30,000 Baht will be due on August 28.

- Please send a copy of your transfer to cashier@tcis.ac.th with your child's ID, Name, and Grade.
- Please send a digital copy of your child's **passport** to cattleya@tcis.ac.th Please make sure your child's passport doesn't expire for at least the next 10 months.

GRADUATING SENIORS

Dear Middle School Parents,

We are approaching our final week of the academic year. We have so much to celebrate and announce! Please stay tuned to our final Middle School Newsletter next week, where I will share all the great achievements our students have made during these last 3 weeks!

Grade 8 Promotion Ceremony

We are excited to invite Grade 8 family members to the Grade 8 Promotion Ceremony on Wednesday, June 11, 2025, at 1:00 PM in Gym 5. Our outstanding NJHS students will be available to escort you to the venue. [Grade 8 Promotion Ceremony](#)

Our parent representatives have kindly arranged a beautiful backdrop at the ECE playground. Grade 8 families are welcome to use this space for photos between 12:30–1:00 PM and 2:00–3:00 PM. Please note that this area will be shared with other grade levels also celebrating that day.

Additionally, a photo booth will be available in Gym 5 before and after the ceremony for Grade 8 families to enjoy.

IMGO Tournament

Our top math students will compete in the first round of the International Mathematical Genius Olympiad tournament hosted at TCIS. Students must arrive by 8:30 am and be in uniform. They will also need their student ID. Students will take three different tests to challenge their abilities, and their scores will be entered into the results to identify the top math students across Thailand, who will then compete in the final round, also hosted at TCIS. We are so proud of their efforts!

Week Without Walls

Thank you for attending our presentation on the Week Without Walls trips for the 2025–2026 academic year. If you were unable to join us, please review the attached trip details for your child's next grade year below. [WWW Poster](#)

Please note that a 5,000 Baht deposit is required by June 10 to reserve your child's spot. The remaining balance will be due on August 28. November is a busy time for our providers, and the deposit will secure our school's spot! Please let me know if you have any questions or concerns!

G7/8: 17,000฿

5,000 BAHT DEPOSIT

DEPOSIT DUE JUNE 10

Please email the pay slip to cashier@tcis.ac.th with your child's name and grade.

Dear Wolves,

Last week marked the final G3U basketball tournament of the season—and what an incredible way to finish! Our young athletes played with heart, hustle, and true team spirit. We're especially proud to recognize Grade 3 Ray and Grade 3 Matilda, who were named to the All-Tournament Team—an honor reserved for the tournament's top players. Way to go, Ray and Matilda!

This tournament wraps up what has been an amazing year of Elementary School sports. From basketball to all other athletic programs, our students have shown incredible growth, teamwork, and determination. The future is bright—ES Sports will only continue to get better, and we can't wait to watch these rising stars grow into standout athletes!

A huge thank you to all our parents, coaches, and, of course, our amazing players. Your support, time, and dedication made this year a successful one, filled with unforgettable moments and milestones.

Here's to a fantastic year—and an even better one ahead!

GO WOLVES!

Our Schoolwide Learning Outcomes are part of everything we do at TCIS

Dear Parents,

May was a month full of creativity, collaboration, and new adventures! Our young authors wrapped up their writing unit by creating a collaborative book series—each student contributed their own story using shared characters and settings. In Reading, students became published voices by recording their own audiobooks in the studio with Ms. Wight, practicing fluency, expression, and enunciation. Math time was all about shapes and graphs, as students collected and organized data in hands-on ways. And to top it all off, we made a splash with the start of swimming lessons in PE with Mr. Brad—what a great way to build confidence in and out of the water!

Dear Parents,

As we wrap up our final weeks of Grade 1, we're finishing strong! In math, we've been exploring 3-D shapes and their features. In writing, students are completing their narrative stories filled with creativity and fun. In reading, we're building stamina and practicing important skills like retelling, predicting, and reading with expression. And of course, a big thank you to Mr. Brad who has been teaching swim class! It's been such a joy to watch each child grow this year. Thank you for all your support throughout the year. I hope everyone has a fun, restful, and well-deserved summer break!

Dear Parents,

We've been wrapping up our year in Grade 2 with some awesome activities and events! Something new and exciting that our class has enjoyed is PE Swim Class! Check out some photos below of the excitement during the first Swim Class, and thank you for making sure your students have been prepared to join in and learn while also having so much fun!

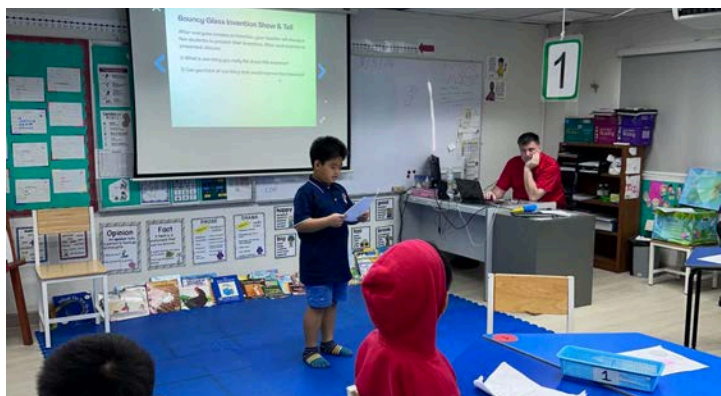

2B's Grand Finale - Learning, Laughing, and Debating Mr. G's Coolness

Dear Parents,

As the school year wraps up, one great mystery remains unsolved in 2B: *Is Mr. G actually cool?* The debate has raged on all year long, with "Mr. G is cool!" mysteriously appearing (and disappearing) on our classroom whiteboard like a true second grade conspiracy. While the jury is still out, one thing's for sure.....these students have had a blast! We've explored the exciting worlds of fiction and non-fiction, tackled three-digit addition and subtraction like math champs, and mastered the fine art of persuasion in our writing (someone even tried convincing Mr. G that recess should last all day). In STEM, we've been hands-on with materials and their properties, testing, predicting, and pretending to be scientists with clipboards. It's been a wild, wonderful ride in 2B, full of learning, laughter, and just the right amount of chaos. Cool or not, Mr. G sure is lucky to have spent the year with this awesome crew!

Dear Parents,

As we wrap up an incredible year in 3A, I want to take a moment to thank you for your continued support and involvement. It has been an absolute pleasure to witness the growth and development of each student—whether through their improved problem-solving, stronger reading skills, or increased confidence in expressing ideas. Their enthusiasm for learning and collaboration has made our classroom a vibrant and caring community. I'm especially proud of how they've challenged themselves during assessments and risen to meet high expectations. Wishing your child continued success and joy in Grade 4!

Dear Parents,

As the year comes to a close, I want to sincerely thank you for your support and partnership. It has been a joy to watch your children grow—academically, socially, and emotionally. They have made wonderful friendships and shown great curiosity and effort throughout all units of learning. I'm especially proud of their progress as demonstrated in MAP and DRA testing, which reflects their hard work and determination. I wish your child all the best as they move on to Grade 4. They are ready for the next adventure!

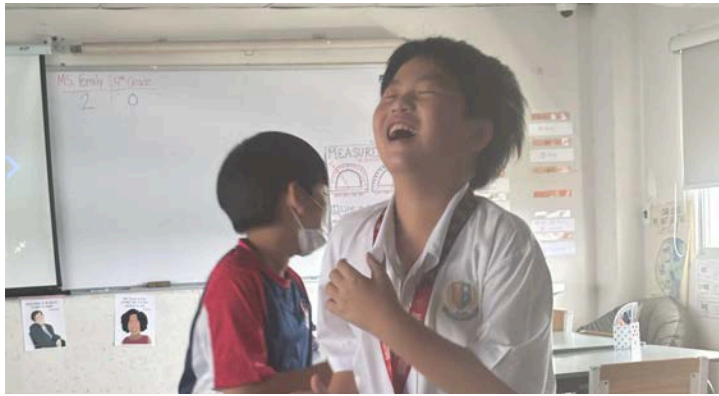

Warmest regards,
Mr. Flores

Dear Parents,

4th grade is coming to an end for these sweet kids, so I want to celebrate all that we've accomplished together. We've read engaging novels, written thoughtful stories and essays, and explored science through hands-on projects like creating chain reactions and lighting up bulbs with batteries and conductors. Our class has grown tremendously—academically, socially, and emotionally—while also having a lot of fun along the way. From hardworking days to laughter-filled Lunch Bunches, it's been a joy to learn and grow together. Thank you, families, for your constant support. I'm so proud of these students and wish them all the best as they head off to middle school!

Dear Parents,

The school year is coming to a close, which means these are the last days 4B students will spend as elementary students. We have learned a lot and grown so much throughout the year. I am so proud of the hard work everyone has put in. Thank you parents for your support. We look forward to seeing you for our promotion ceremony. Enjoy the summer holiday!

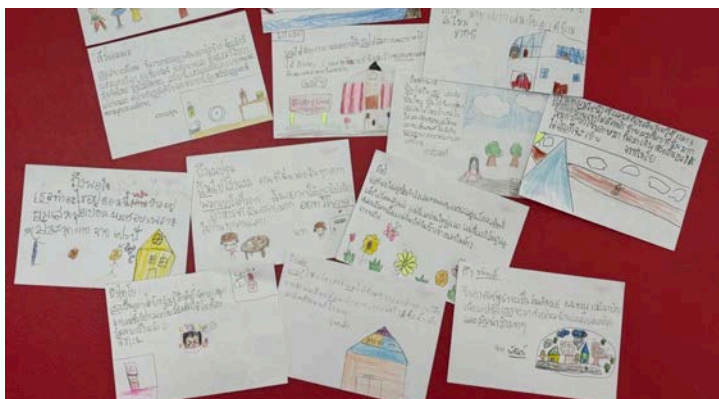

Thai Teacher: Kru Fai

Dear Parents,

Grade 3 Thai MT students practiced writing postcards to their classmates. They also learned about traditional Thai foods from different regions. Recently, they tasted *khaep mu* (crispy pork rinds) with *nam prik num* (Northern green chili dip) from the Northern region. They enjoyed the experience and were excited to try something new. Many of them even asked to taste it again another day!

Dear Parents,

After a year of hard work, our CFB students have made amazing progress! Recently, we had a writing competition in class. Everyone did their best, and we're happy to announce the outstanding winners: G1 Bhurit, G3 Kunn, and G4 Perperm. Let's give them a big cheer!

Our classes are going well, too: G4 CFB is learning about field trips. Students shared where they want to go and why. G3 CFB is learning how to talk about going to an amusement park. G1 CFB has been learning names of places and how to speak politely on the phone. Well done, everyone! Keep up the great work — we're excited to see even more progress in next school year!

Dear Parents,

This semester is already coming to a beautiful close. Throughout this learning journey, our children have worked hard and grown in so many ways — they truly deserve a big round of applause!

To recognize their outstanding efforts, we held two special competitions. In the Homework Competition, we celebrated students who consistently handed in their assignments on time, completed them with care, and impressed us with their neat and beautiful handwriting. Meanwhile, the Writing Competition honored those young writers who stood out for their creativity, fluent expression, and the heartfelt stories they shared. These certificates are more than just pieces of paper — they're a meaningful recognition of each child's dedication, and a reminder to keep shining bright on their learning path.

Dear Parents,

The semester is coming to an end, and teachers have used a variety of creative methods to inspire a love of learning in students. First-grade students designed their own phone screens to explain the functions of their imaginary phones. Third-grade students learned about amusement parks, designed their own favorite parks, and celebrated their success in passing the CCCC exam with bubble tea. Fourth-grade students explored the topic of field trips and created a one-day itinerary for an educational outing. These activities not only helped review and reinforce knowledge but also supported students in applying what they've learned.

Let's play chess!

Playing chess is a great activity that allows children to calm down and focus on thinking. We are currently learning Gobang, and students love playing Gobang with their friends. We also have a small chess competition in class to see who is the Gobang master.

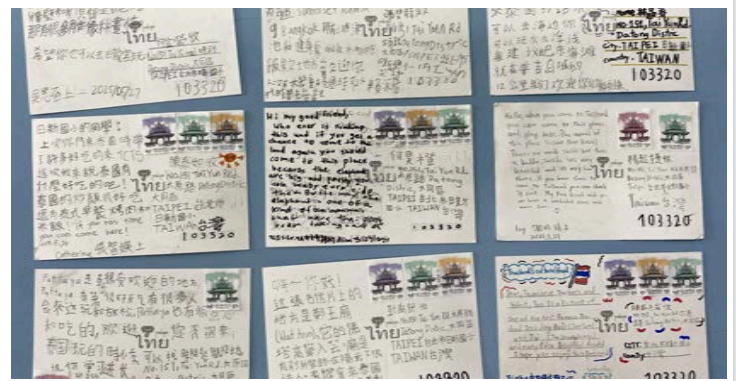

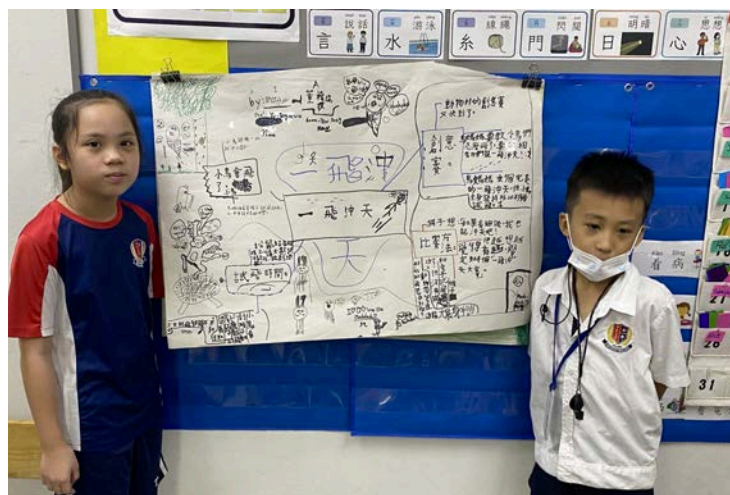

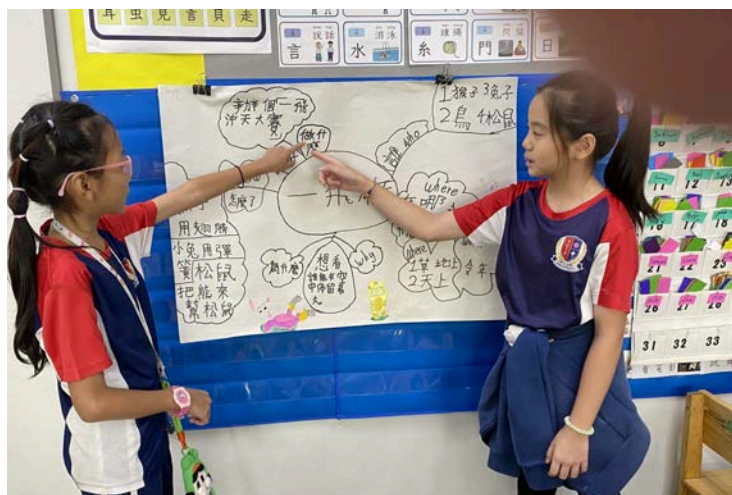

Dear Parents,

As the school year draws to a close, students in Ms. YiLing's class are engaging in their final assessments, showcasing their integrated learning achievements. In 3CMT, students summarized key points from their texts using a timeline format, presenting their understanding on large posters. G4CMT worked in groups to create summary posters based on the text content, and then used the story as a foundation to design board games. Through this process, they transformed their learning into playful experiences, combining creativity and logical thinking to produce unique and engaging games. Meanwhile, the G2CFT1 used their texts to design everyday props and performed them in roleplaying, applying their language learning in lively and practical ways.

Throughout the 2024-25 school year, students have developed their language skills, explored Chinese, English, and Thai cultures, and applied what they've learned to real-life contexts. It has been a meaningful and enjoyable journey — see you in the new school year!

Dear Parents,

Grade 2 students explored music by creating their own short melodies using quarter notes and quarter rests, then playing them on the recorder. A few volunteers performed their melodies for the class, and afterward, everyone had a chance to play those melodies together. At the end of the activity, we combined all four student-composed melodies into one complete song — it was a fun and collaborative music-making experience! In another part of the lesson, each group created their own rhythm using "ta" and "titi" patterns. After practicing, the whole class clapped each group's rhythm together. These activities gave students a great opportunity to practice musical creativity, collaboration, and rhythm skills in an engaging way.

Dear Parents,

It has been a pleasure teaching your students this school year. The students did a wonderful job with their safari/animal reports and videos. It was so wonderful to see all of you come to see their hard work.

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">• racial or ethnic origin• political opinions• religious or philosophical beliefs• sexual behavior• criminal records• health data, disability• trade union information• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
