HAPPY 25TH ANNIVERSARY!

歡慶二十五週年

It has been my pleasure to serve on the school board and see its growth and emergence as a leading institution for high quality international education that uses an American Curriculum. Recently, as Chairman of the Board I have witnessed the steady growth in its academics and am proud to have been an integral and leading part of establishing TCIS as one of the top educational institutions in Thailand.

我很榮幸在這一所實施美國高品質課程的國際教學校任職董事長，並看到其逐年成長。近來，身為董事長，我見證了學校在學術上穩定的成長，也非常自豪於能夠將TCIS打造成泰國最頂尖的國際學校。

CHAIRMAN OF THE 10TH TERM FOUNDATION BOARD

MR. YOSAPOL
CHANGCHAROENKIY

第十屆基金會董事會 董事長
章維斌先生

To be part of something as noble as the education of students is the highest goal to which any of us can aspire, I am truly fortunate to be the Chairman of the Board during our 25th Anniversary.

To have reached this point and to remain relevant is no easy task, and I applaud the work of the Chairmen who have gone before me and the support and dedication of so many Board Members who continue to volunteer their time and efforts to make TCIS such a wonderful place for children to grow and learn.

I have been a part of the TCIS community for over 15 years and I have seen it grow and prosper in an environment that is increasingly competitive. We have always sought the best teachers both locally and overseas to give our children the biggest advantage as they aim for the best and most prestigious Colleges and Universities worldwide.

I am particularly proud of the developing relationships between the parents, the Board and the staff, as we all work together. TCIS is a remarkable place that exudes an almost magical quality that is hard to define in words but is palpable to all who know us. And it is this that makes our students so proud of their school. Our first 25 years have been a fantastic, incredible success story; now let's get going on making the next 25 even better.

我很幸運能夠在此慶祝25週年校慶的期間擔任學校董事會董事長，而教育學生成為品格高尚的人，是我們追求的最高目標。

要達到此高標並維持校務順利運行並非一項簡單的任務，所以我在此讚揚並感謝前任董事長們，以及許多董事會成員的支持與奉獻。他們持續投入精力及時間，使TCIS能夠成為一個為孩子們提供成長及學習的美好園地。

我加入TCIS已有15年以上的時間，在競爭日益激烈的環境中，我見證了學校的繁榮與成長。我們致力於徵聘國內外最優質的教師，以使我們的孩子擁有最大的優勢，因為他們的目標是全世界最好、最頂尖的大學。

在工作上，我特別為家長們、董事們及學校教職員能建立起緊密的關係而感到自豪。TCIS是一個卓越的大家庭，這是難以用言語來描述。然而，對所有接觸過TCIS的人來說，都能深刻的體會此處的魅力，而這正是我們的學生以能成為學校的一分子感到驕傲之處。我們的第一個25年的背後是一個個了不起且令人印象深刻的成功故事，接下來讓我們開啓下一個更美好、更進步的25年。

HONORARY & FOUNDING CHAIRMAN,
CHAIRMAN OF THE 1ST, 2ND & 3RD

“When I speak of TCIS to others, it is with great pride in its graduates and what and who they have become. I am proud to be part of an educational institution that has withstood the test of time. As it has evolved to serve the wider community and yet stayed true to its roots, I continue to support it in every way I can.”

「每當我與他人談論起TCIS時，我總為我們的畢業學生能成長為一個如此美好的人，而感到驕傲」我很榮幸成為這個經得起時間考驗的學校的一員。在日益成長的過程中，TCIS能進行更廣泛的社區服務，同時也能夠忠於原始的根基，不受動搖。我將盡我一切所能，持續支持TCIS大步向前。

A SCHOOL WITH A DIFFERENCE

與眾不同的學校

Founded in 1995 as a non-profit co-educational international school in order to provide an English language instruction for the Taiwanese community of Bangkok TCIS became a hidden gem among the international schools of Thailand. As one of the original international schools, TCIS offers the unique opportunity to provide progressive educational learning immersed in two core concepts; language acquisition and cultural awareness. As a college preparatory school we specialize in Advanced Placement classes and hold the distinctions of being a Capstone School where all our staff are Google Certified Educators. The TCIS Foundation Board supports the School Board and the community in maintaining a well-run, top notch facility and place where you can be proud to graduate.

All TCIS faculty are certified in both Thailand and their country of origin. Most hold advanced degrees with many achieving the doctoral and professional level.

As a top Chinese program that specializes in traditional Mandarin, our students are well versed in Chinese and attain the highest scores on Chinese language testing for both native and foreign tongue speakers. The same can be said of our Thai language proficiency as TCIS is proud to be part of the Kingdom of Thailand and supports all Thai language and cultural activities in a multicultural environment. TCIS also has recently seen a growth in its Korean and Japanese student population.

Graduating classes have doors opened to them at top universities worldwide as well as domestically.

TCIS成立於1995年，是一所非營利性質的國際學校，目的是為在曼谷的臺灣僑民提供英語教育，TCIS如今已成為泰國國際學校中的一顆隱藏寶石。作為最早的國際學校之一，TCIS獨特的提供了兩個漸進式的學習核心，那即是「語言習得」及「文化意識」。作為一所大學預備學校，我們提供大學預備課程的高階選修課(Advanced Placement classes)，且所有的老師皆是擁有教師執照的Google認證教育家，並以此成為Capstone學校而聞名於世。TCIS董事基金會將支持董事會及學校維持良好運作、提供一流的設施，讓學生以能在此畢業而感到自豪。

TCIS的所有教師皆在泰國及其護照所在國獲得教師認證，大多數教師擁有高等學位，其中亦有多位老師榮獲博士學位。

TCIS有頂級的華語課程，我們的學生精通華語，無論是中文母語班或中文外語班的學生，皆能在語言測驗中獲得最優秀的成績。除此之外，學生的泰語能力亦是如此，TCIS以身為泰國的頂尖的國際學校而感到自豪，在多元文化的陶冶下，始終支持著泰國的語言及文化活動。近年來，加入TCIS的韓國及日本籍學生亦有增加的趨勢。

畢業生為我們打開了通往世界各國頂尖大學的大門。

MESSAGE FROM **STUDENTS**

學生感言

We are so happy and grateful to be able to be a part of this incredible community for plenty of years. The joyful smiles we see around school every day make us enthusiastic to learn and participate in activities. Every day at TCIS is another step towards a brighter future.

It seems like only yesterday when we were celebrating TCIS' 15th anniversary, and now we are a part of the 25th anniversary! Many changes have taken place each and every year, allowing TCIS to advance further and further. This school year was started off with a major refurbishment of buildings and offices as well as new equipment inside our classrooms. We also had a completely new logo and design for our uniforms as well. This shows how our school is always striving to excel and improve. Our school just had its first online teaching week this year, following the coronavirus outbreak. It showed us how capable TCIS was in adapting to changes, and those are things that we reflected on and learned from, so that the second time around we were even better prepared.

One of many things that we are proud about is our trilingual program. Learning one different language is hard enough, let alone two. However, the students in our school are capable of learning English, Thai, and Chinese while still performing really well in all subjects! Some students even learn more languages like Japanese, Korean, and Spanish to keep up with an increasingly international world. We could not be prouder of ourselves and just want to thank all of the teachers that shaped us into who we are. Our teachers always go the extra mile to educate us and help us learn and grow, as well as possessing super friendly and supportive personalities too. They are actively involved in activities hosted by students such as Sports Day, Teacher Talent Show, Community Service trips, and so much more.

We wish the best for TCIS's future and we look forward to seeing what the school will be like in the years to come. Once again, we wish TCIS a happy anniversary and thank everyone that is a part of this wonderful community as well.

Today is the day we are celebrating the 25th Anniversary of the TCIS. Our school has made incredible progress over the last quarter of a century. We are one of the oldest international schools in Thailand and our students consistently get into the top universities worldwide. A large number of us in the Parents Association have been at the TCIS for many years. We send our children here because we love this school and we trust the school will provide a great education for them. It has been fantastic to see the school's growth over the years with additional buildings, improved facilities, and great teachers. It is wonderful to watch the student body grow and expand and to see our students travel and compete throughout the world. We encourage every parent to get involved with our Parents Association and help us make the TCIS even better in the years to come. Congratulations TCIS on creating an amazing environment for our entire community for the past 25 years!

Thongchai Wongkachonkitti
 TCIS PARENTS ASSOCIATION
 PRESIDENT

On behalf of the faculty, we would like to offer our warmest congratulations to TCIS to celebrate its 25th Anniversary.

This memorable milestone is a time for reflecting on the past and looking ahead to the future. Over the past quarter of a century, TCIS has strived to educate students and prepare them to be responsible global citizens. Its adherence to an American Curriculum has brought so many international teachers here and we have been kindly welcomed by the smiling faces of children and young adults of all ages. The delightful celebrations of the Thai and Chinese Departments have instilled culture and values in not only the students, but all members of our community and have made us teachers feel at home at TCIS. The wisdom, expertise, and enthusiasm of a very diverse group of educators, staff, administrators, parents and board members have worked hard to make this school successful and to allow it to continually evolve to best support our students.

We look back fondly at all of the wonderful relationships that have blossomed over the years at TCIS and are proud of the accomplishments of the school and its graduates. We are grateful to have been a part of the lives of so many passing through whether for only a couple of years, 25 years, or somewhere in between. Just as we wish the best to all those who have moved on from here, we look forward to the time spent with current and new students, staff, and friends.

We hope that the years to come at TCIS are filled with even more amazing achievements and memories and wish the school continued success in all of its future endeavors.
 Happy 25th Anniversary TCIS!
