## NEWS

Dear TCIS Community,

**Welcome back and Happy New Year!** We hope you had a wonderful break and that you are as excited about the first semester of 2018 as we are!

We especially want to welcome the many new families who are joining us this semester. In an effort to ease the transition to a new school, we will offer monthly **New Family Orientation** sessions. This is in addition to the monthly Principal Coffees and Tuesday drop-in times.

Our first **New Family Orientation** will be **Monday, 8 January** and our first **Principal Coffee** will be **9 January**. While the coffees sometimes have specific agendas, this first one does not. Just drop by the library for coffee and kick-off the start of the semester.

It takes a village to raise the global citizens of tomorrow, so **thank you** for your on-going collaboration - we're looking forward to a great 2018.

*Dr. Betsy*

Head of Elementary School

## COMMUNITY

Interested in preparing the promotion ceremonies for our KG and G4 students? Please join us for our initial **planning meeting** **this Thursday at 7:30 in the MS conference room**. Even if your child is not in KG or G4, please feel free to attend as these ceremonies are wonderful community events.

## STUDENT NEWS

Our students are working very hard this year to improve their **writing, listening and speaking skills**. Specifically, through Writers' Workshop. Ask them what they are writing about this semester.
