NEWS

Dear LS Families,

This week we completed our math assessments and began reviewing our first writing prompts. This information will guide our instruction so that we can best meet the needs of our students. We will monitor their progress throughout the year and watch as they learn and grow each day.

Should you have questions or concerns, please contact your child's teacher or me and we will work with you to best support your child.

Wishing you a wonderful week,

Dr. Betsy
Head of Lower School

COMMUNITY

This week we had our first Principal Coffee. Thank you to the many parents who attended and shared feedback and ideas. We heard that while parents want to know what is going on at school, they would like this shared as concisely as possible. We also heard that we can make improvements to how we share the progress reports. We heard your feedback and have started the process of making improvements.

We will host a coffee the 1st Tuesday of each month and hope you will be able to attend and share ideas!

CLUBS

This week at our LS Assembly we announced our student council representatives. Congratulations to the students who were selected! Photo below.

We also announced the start of many exciting clubs including chess, environmental, chorus and band.

ANNOUNCEMENTS

Dismissal Safety Process

If you will be late to pick up your child, please call Ms. Natt to let her know. ECE students will be sent to the library mac mini lab at 3:20 if they have not been picked-up.

Illness & Attendance

If your child is ill, please have them stay at home then call Ms. Natt or the school Nurse to let them know. Students absent more than 5 days should bring a doctors note upon returning to school.

OUR TEACHERS

This week we'd like to introduce our new Chinese KG teacher, Ms. Lin.

I am from Taiwan. After graduating from National Hsinchu

University of Education and interned, I obtained qualified teacher's certificate. I have taught in Taiwan, Chiang Rai, and Vietnam for some years.

Drawing and traveling are my favorite things. I am really glad to

join the TCIS family. This year, I will try my best to face new challenges.
