APRIL Lower School Parent Meeting

Topics: Helping Students Manage Anger and Stress

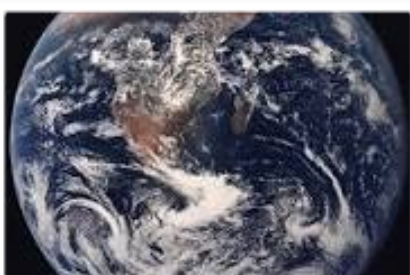

All the Info you need to know about End of the Year Assessments

How Class placement works

How teachers/TAs are evaluated.

LS Improvements

April 27th at 7:30 in the 360

Hannah Hartman LS Principal

Hope you had a Happy Songkran holiday!

I hope everybody had a really wonderful holiday break. We are now starting our final push till the end of the year. We have 6 weeks to go!

Happy Earth Day!

Throughout the week and on Friday the students did some special activities to recognize and appreciate the Earth. It was a lot of fun and I am pleased to announce the LS beat the MS in using less plastic. Keep up the efforts to help our Earth!

THANK YOU!

Last month we sent out a survey about the school and I want to thank so many of you for taking the time and sharing your responses with us. We will use your feedback to continue to grow and improve at TCIS.

Hannah.Hartman@tcis.ac.th

Reminders

Before & After School

Morning Drop off: after 6:45
— school begins 7:10

Afternoon Pick up: before
15:45 — school ends 15:10

Art Display

The LS art displays are presented in the Library entrance if you would like to take a look at all the hard work the students have done and their wonderful achievements with MS. Kelly this year.

Playground Improvements

This week we got new slides and we continue to have improvements to the LS playground. Many new items have been purchased so we are eagerly awaiting the arrival. The sandpit has been covered now and we will have a new sand box very soon!

MAP Testing

Students this next week are starting their end of year testing period. Grades 1-4 are having MAP testing April 25-May 4. Please make sure your children are getting plenty of sleep and eating breakfast so they can do their very best on the tests.

Parent Communication

In the LS we want to hear from you if you have any questions or concerns.

1. Talk to or email the classroom teacher.
2. Talk to or email the LS office. I am always happy to arrangements and we have translation available.

We want to make the LS the best it can be!
