We have had a wonderful month of kindness and some special recognition for some of our students. Thank you Ms. Oriana for organizing this special month for us to remind us what is really important in life.

Thai Knowledge Bowl

Thank you to the Thai department and the students for their handwork in the Thai Knowledge Bowl this year. Awards to come!

Thank you Teachers!

Last Wednesday was a very special day at TCIS. It was Teacher Appreciation Day, Korean Day, and the HS student council started a carnival

Reminders

Our canteen is now air conditioned so please remember to keep the doors closed.

Any student incidents that occur should be reported to an adult on duty and the classroom teachers. Safety is our number one priority! fundraiser of fun. Thank you for all you do teachers and for the amazing efforts and thought behind this extra special day. I love the way it linked into our Kindness month theme and curriculum.

Dear Family,

The Lower School Second Step program has completed implementing the second unit of the program. We have been working on empathy, identifying and understanding their own feelings and the feelings of others. They have also learned how to view another's perspective and how to show compassion, caring and kindness towards others.

Our final units in the program will focus on emotional management and problem solving..

Students will learn to recognize strong emotions, identify coping strategies, and solve interpersonal conflicts.

If you have any questions about the Second Step program, please do not hesitate to contact me for more information.

Thank you for supporting your child in learning the skills that will lead to success in school and in life.

I look forward to working with your child.
