March = Responsible Global Participant

Conferences - What to expect!

In grades PK2-KG teachers have prepared a teacher led conference with evidence of learning.

In grades 1-4 students and teachers have prepared student led conferences where students are participants in sharing their learning and areas for growth. Please remember to bring your child with you so they can take ownership of their learning.

We have provided supervision for siblings at the playground throughout the day while you attend your child's conference to avoid distractions.

MS and HS conferences will be held in a central location. HS in the LS gym and MS in the 6th floor.
