Placement

As we approach the end of the year parents often have questions regarding placement for next year. It is our policy at the LS that we do not take requests for certain teachers however we do take requests for certain needs for your child or from your teacher to help assure the most appropriate student placement. Please made an appointment in the office if you have anything to share

Science Fair Fun

Thank you to Ms. Julie and the whole science department for a fabulous learning experience last week. The students enjoyed celebrating science and learning.
