NEWS

Dear TCIS Community,

Last week, we held the second of two **Spring Concerts**. We are always so excited and grateful to see many of our parents on campus, so thank you for taking time to attend and support these programs.

If you weren't able to attend, click [here](#) to see photos from our ES Spring Concert (photos by Mr. New).

This week, our **G3 and G4 students will take the MAP test**. Please help students arrive on time each day, well rested and ready to do their best thinking!

MAP tests provide important data for us to understand overall trends and patterns with regard to what we are doing well and what we need to work on as a school. We are always looking to improve and this is just one way in which we can do so.

Make it a great week!
Dr. Betsy
