Effective Communicators Tips for Parents

This month students are working on being effective communicators and we feel it is something we all can work on. At TCIS we are extremely open to feedback because we want to improve so it is very important to share any questions or concerns you have directly with the school. Connecting and communicating with other parents is great but before going to your line group ask yourself have I informed the teacher of this concern? If you are uncomfortable speaking in English we have people in place to support you because we want to hear from all members of our TCIS community.

For Thai please contact Ms. Natt in the LS office.

For Chinese please contact Ms. Pure in the Student Support Service office. sirinthip@tcis.ac.th

You can also contact our Parent Association who I speak to regularly and who can help share your question or concern.

By sharing your questions and/or concerns with the school directly we can be informed and respond accordingly.

Thursday 26th of November in the 360 Theater
Session one: grades 3 & 4 at 1:35

* Top 4 students from each class and top 8 students per grade will face off to find the Spelling Champ at each grade level 1-4 . We are all getting excited about words and spelling. Come watch the action and support the school!

PARENT REMINDER

Please be reminded that school finishes at 3:10 each day. Students should not be on campus unless they are in an organized TCIS activity or supervised by you. They are to go to the waiting spot in the parking garage. We do not have coverage to babysit students and there have been an increasing number of incidents with students after school hours.
