\*\*\*The workshop originally scheduled for Wednesday, **Nov.**4th has been postponed!

1. On Wednesday, **Nov. 11th** there will be a special session

How to support your child's learning?

- -Homework
- -Balancing Technology
- -Goal Setting
- -Learn all about Early Childhood: Building Independence
- 2. On Wednesday, **Nov. 18th** there will be a special session for LS and MS parents.

Led by our student support team!

Ms. Danielle and Mr. Jeff will talk about Second Step our social emotional program that students do in LS & MS at TCIS.

# **Tips for Parents**

Now that we have completed quarter one and students have received their first report card and parents have had a chance to conference with teachers it is important to sit down with your child and talk to them about their learning. Ask them:

\*What area are you strongest or which area do you feel most comfortable at school?

\*What area do you find difficult or challenging in your learning?

\*What are some specific things you could do to improve?

Then, set some smart goals together to help guide them.

# **Goal Setting**

S - specific

M - measurable

A - attainable

R - realistic

T - timely

Set SMART goals, start small and watch them grow!
