

Elementary School News November 11, 2019

Dear TCIS Community,

Student News

Our track and field intramurals are well underway. Over 20 students came out to join the fun. At TCIS, students work hard to keep their bodies and minds healthy and active. Nice job students!

Spirit week began on Friday and will continue through this week. We encourage students to participate in theme days and show their school spirit.

Teaching and Learning

The best way to have a great day is simply by coming to school on time each day. When students come on time they receive the full benefit of learning and they participate in our early morning community building. Being on time shows respect for our teachers and the other students too. Thank you for making punctuality a priority.

Community

Monday is our Loy Krathong celebration. We hope you can join us at 9:30 on the basketball courts and see all the beautiful traditional Thai clothes that will be on display during our annual fashion show.

Here's to a great week!
Dr. Betsy

OUR WEEK in PICTURES

Spotlight on Literacy

In early years, students build foundational skills in literacy. They learn letter names and sounds and begin to read and write simple words in sentences.

As students grow, they begin to work more independently. This is one of our Student Learner Outcomes - Independent Lifelong Learners. In class, it looks like choosing a topic of interest, researching it, then sharing their findings in their writing (grade 3 below).

We also integrate literacy into our specials classes. In music, students read, sing and rap.
