Message from Dr. Michael

Dear TCIS Family,

It has been wonderful to see the construction rising around the outside of our campus and the new additions taking shape so quickly. Our construction teams are working efficiently, and real progress is being made each day. The transformation is impressive from the street, but it is equally exciting when viewed from above—especially from the top of the library overlooking the site.

We also hosted a very successful Open House last week, with many families in attendance. A common theme in the conversations was curiosity and excitement about the rapid changes taking place at TCIS. We continue to hear a growing buzz around Bangkok that TCIS is the best school for children. While we have always believed this to be true, it is gratifying to hear this affirmation from families outside our immediate community.

On the academic front, the administrative team has been meeting with interactive display companies and is currently exploring the addition of interactive displays in multiple classrooms to further enhance teaching and learning. Several parents have also asked about summer school, and we are happy to confirm that we will indeed be offering a summer school program this year.

Looking ahead, next year's academic calendar has been finalized, approved, and is now available on our website for your review.

Recruitment has also been very strong over the past few weeks. Mr. Frank, Dr. James, and I attended the Bangkok Search Fair, while our principals, along with Ms. Jasmine, Kru Rung, and Mr. Tony, conducted numerous interviews. We are pleased to share that most positions for the coming school year have already been filled, and we are working diligently to complete the hiring season with high-quality educators who align with our mission.

Thank you, as always, for your continued support and belief in TCIS. It is an exciting time to be part of this community.

Regards,

Dr. Michael

Dear TCIS Family,

Morning Arrival and Start Times

As we have started a new calendar year and a new semester, this is a good time to give some **very important** reminders about our morning times in ECE and elementary.

- **Before 7:20 am:** Students play time or time in the canteen.
- **7:20am:** At this time, students should be on campus. ECE students should be in class or heading into class. All students should have exited the canteen. Elementary students should be lining up to walk to class with their teachers.
- **7:30am:** Class learning for all classes has begun.

Arriving late causes disruption to the learning environment for all students. Your support in having your child arrive on time is greatly appreciated. (**Note:** Students are called to Monday morning assembly at 7:10am.)

Grade 4 Author's Day

The Grade 4 Author's Day was a wonderful success! This was a largely student led event, and they did a great job! Parents were thrilled with their children's book presentations, and several students even read their books in several languages!

[Grade 4 Author's Day](#)

[Link to All Author's Day Photos #1](#)

[Link to All Author's Day Photos #2](#)

U5 Football Tournament

I was delighted to have the opportunity to cheer on the TCIS U5 football team during their tournament on Thursday, January 22nd, 2026. Our boys played with pride and determination. A big thank you to our two coaches: **Ms. Emily** and **Ms. Kristen** for their leadership and hard work. Go Wolves! [U5 Football Tournament Photos](#)

ECE & Elementary Assemblies

Last week, ECE and elementary held SLO assemblies and students from PK4 and grade 2B performed..

[ECE & Elementary Assembly Photos](#)

Grade 3 Egypt Day - Parents Invited

Our highly anticipated Grade 3 Egypt Day events will take place in Gym 5 from 2:00pm to 3:10pm, on Tuesday, January 27th, 2026. We ask parents to arrive by 2:00pm to enjoy the musical performance and the dedicated parent-only time until 2:30pm. [Grade 3 Egypt Day Poster](#)

Non-Uniform Day: Mis-Match/Wacky Tacky Clothes Day

Our non-uniform day this month will be **Thursday, January 29th, 2026**. Theme: Mis-Match Day. Wear zany and mis-matched attire, such as different color socks, a ties with a t-shirt, different color shoes. [Mis-Match Day Poster](#)

Parent Teacher Conferences

A reminder that Parent teacher conferences will take place on **Friday, January 30th, 2026**. There is no school for students on that day. **There is still time to book appointments.** If you would like to meet with me, just drop by my office.

Chinese New Year - Parents Invited

Our Chinese New Year Celebration will take place in Gym 5 at **9:20am, Friday, February 13th, 2026**. Teachers will send out more information soon about this very important event in the TCIS calendar.

Terry Fox

Thank you for your amazing work in helping us reach our goal of 200,000 Thai baht raised for cancer research in Thailand. Here is a great collage of photos celebrating the day by Dr. Richard. [Watch the video highlights from the day!](#)

Kind regards,

Dr. James james.cooke@tcis.ac.th

Student's Special Achievements Section: Kati

Congratulations to Kati: Kati recently competed in the 20th Cecilia International Music Competition (2026) Thailand Preliminary round at Yamaha Music Hall.

We are proud to share that she was awarded First Prize in Piano Age Category B (ages 6-8). This achievement has qualified her for the Final Round, which will be held in Tokyo, Japan.

Morning Arrival Reminder

ECE & Elementary School

Arrive On Time, Ready to Shine!

Arrival Times

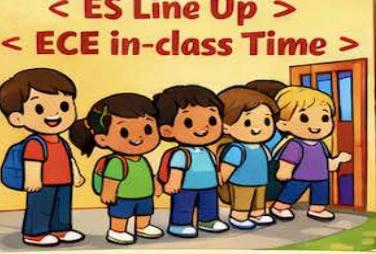

Before 7:20 AM

Play Time

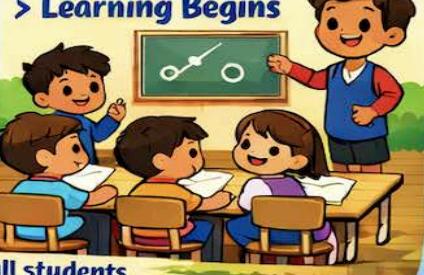

7:20 AM

< ES Line Up >
< ECE in-class Time >

7:30 AM

> Learning Begins

This is the expected arrival time for all students

Important Notes

- Monday Only -

> 7:10 AM Assembly

- ECE Families -

> By 7:30 AM Parents Already Exited ECE

- Be On Time!

> Start the Day Calm & Ready to Learn

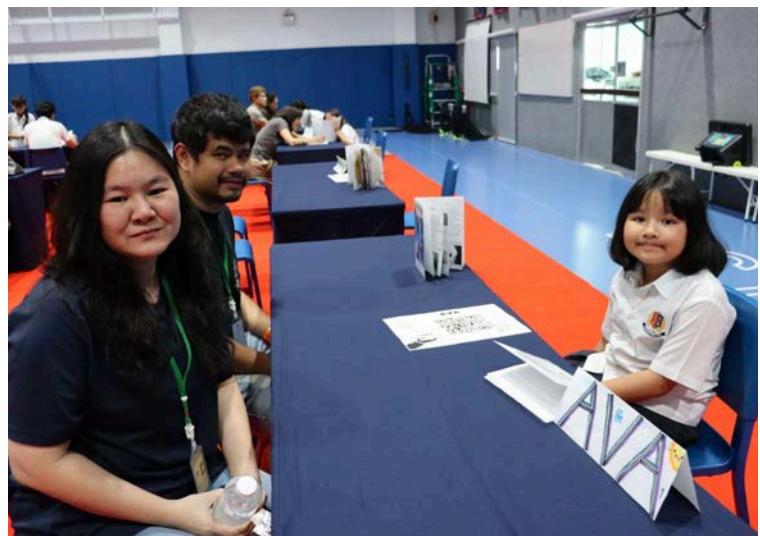

Thank You for Your Support!

Let's make every morning a great start!

**Please make sure that your costume does not distract
from your learning and does not include weapons.**

Do not wear a costume mask that covers your face.

Dr. Richard's Message

Dear TCIS Family,

Last week, Terry Fox was a huge success. From the lead-up to the day of the event, there was so much community involvement. A special thank you to the middle school student council, NJHS, and NAHS students for helping to make the event festive while also raising money.

I am so proud to announce that our TCIS community raised 200,000 Thai Baht for cancer research in Thailand. The money will be donated next month, and I look forward to sharing photos of our students presenting it.

[Watch the video highlights from the day!](#)

Next week, our Thai Department will be hosting the annual Thai Knowledge Bowl. The event takes place during Thai class but culminates with the full round at recess on January 29th. I look forward to seeing our students demonstrate their knowledge of the Thai language and culture.

Dr. Richard E. Poulin III
Head of Middle School

Athletics: Mr. Sean

Wolves!

It has been an exciting couple of weeks for TCIS Athletics, and our Wolves continue to make us proud across multiple sports!

First, a huge congratulations to our G5U Soccer team for an outstanding season so far. The Wolves earned an impressive 4-1 victory against KIS, showcasing teamwork, effort, and determination from start to finish. The future is bright for this group, and we look forward to seeing their continued growth and success. Great job, Wolves!

Our JV Boys Basketball team also continues to dominate, remaining undefeated after an 11-point win over Ekkamai. This marks the Wolves' fifth straight victory of the season. With only four games remaining, the team is focused on finishing strong and completing an undefeated run. Another standout performance came from Tori, who continues to lead the way and is averaging nearly 30 points per game. An incredible effort from the entire squad!

In Varsity action, the Soccer Wolves earned a strong win against Concordian earlier this week. The following day, the Wolves took down ASB Sukhumvit with a score of 10-0! Wow! Led by a powerful and experienced senior class, the team looks ready to take care of business as they head into the AISAA Varsity Tournament this weekend. Best of luck to our Varsity Wolves as they compete on the big stage!

Great job to all of our Wolves for their hard work, dedication, and sportsmanship over the past couple of weeks.

Looking ahead, Season 3 sports sign-ups are coming up quickly. Please be on the lookout for sign-up information posted on Google Classroom. If you have any questions, feel free to reach out to Mr. Sean.

GO WOLVES!

Mr. Sean

Who can I talk to if I need help?

<https://www.tcis.ac.th/child-safeguarding>

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means
everyone under
the age of 18.

Children need the
right help at the right
time to address risks

Remember 'it could happen
here' where safeguarding
is concerned.

We are all responsible for
the welfare of children and
keeping the environment
safe, whatever our job.

TCIS School-Wide Learner Outcomes: Part of Everything We Do

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

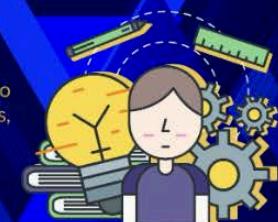

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Global Citizens

Open-Minded Thinkers

Well-Balanced Individuals

Optimistic Risk-Takers

Lifelong Learners

Voices for Collaboration

Empathetic Leaders

Solution-Oriented Problem Solvers

ECE/ES Counselors Corner: Ms. Bree, Ms. Younah & Ms. Eve

Dear TCIS Family,

This month, our Counseling Club students proudly participated in the Terry Fox Run, coming together to honor courage, compassion, and hope. The students ran in support of cancer research, showing their commitment to making a difference in the lives of others.

Through fundraising efforts and active participation in the run, students demonstrated empathy and unity as they learned about the importance of cancer awareness. They embraced the spirit of Terry Fox by supporting a cause greater than themselves and standing in solidarity with individuals and families affected by cancer.

Students shared that they enjoyed spreading cancer awareness, learning why the Terry Fox Run is meaningful, and working together as a team. The event encouraged important conversations about perseverance, kindness, and helping others in times of need.

We are incredibly proud of our Counseling Club members for their enthusiasm, compassion, and dedication. Their participation reflects the values we strive to nurture—empathy, resilience, and social responsibility.

Thank you to all students, families, and staff who supported this meaningful event. Together, we continue to inspire hope and positive change in our community.

Warm Regards,
Ms. Bree, Ms. Younah, and Ms. Eve

Class: 1A Teacher: Mr. Thomas

TA: Ms. Karn

Dear Parents,

Shadows, opinions, weather charts, word detectives, and fact families! That's what 1A has been busy with the last few weeks in class. Watching their curiosity explode, their writing skills develop, and their critical thinking deepen has been a privilege. This is an exciting part of Grade 1 as students begin to really demonstrate their mastery with learning content thanks to the routines and building blocks they've strengthened over the year so far. We can't wait to see what's next!

Class: 1B Teacher: Ms. Kristen

TA: Ms. Aoh

Dear Parents,

Students have been learning how to be Word Detectives in reading, practicing strategies to understand new and tricky words. In science, we are exploring shadows, weather, and the sun, with lots of hands-on investigations. In writing, students are learning about opinions and giving reasons to support their ideas.

Students continue to show wonderful growth academically and socially every day!

Dear Parents,

We love our measuring unit in Math class! To start off the unit we practiced estimating and measuring our "feet" with nonstandard units of measurement like paper clips and centimeter cubes. Then we turned them into a craft by decorating our "feet". Who knew working with our feet could be so much fun??

Class: 2B Teacher: Mr. G

TA: Ms. Eye

Dear Parents,

2B continues to bring big energy and even bigger enthusiasm to school each day. In math, students tackled picture and line graphs and are now measuring just about anything that will stay still long enough. STEM lessons had us investigating where rivers begin, where they end, and why water always seems to know where it's going. In Language Arts, opinion writing is in full swing, along with practicing correct verb tenses so our writing sounds as smart as our ideas. Add in the excitement of the 100th Day of School and the Terry Fox Run, and it's safe to say 2B has been busy learning, laughing, and having a great time doing it.

Dear Parents,

In Math, students have been learning how to calculate **area** while working with both the **imperial and metric systems**. They measured a variety of classroom objects using **inches and centimeters**, then used those measurements to find area. Through hands-on exploration, students began to notice key differences between the two systems and discussed the advantages of the metric system, such as its clear base-10 structure and ease of conversion. This real-world measuring experience helped students deepen their understanding of area while also building practical measurement skills they can apply beyond the classroom.

Dear Parents,

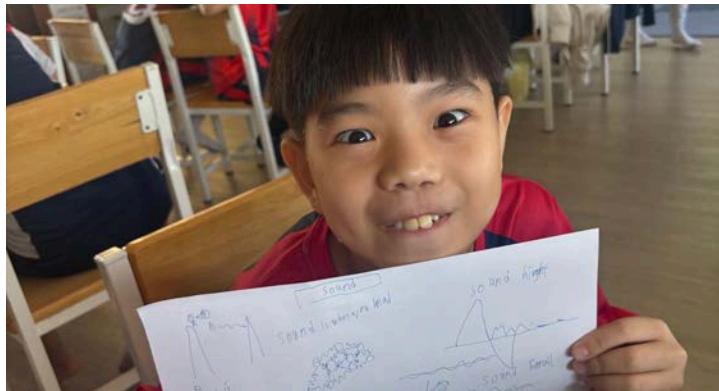

In Quarter 3, we move from the pyramids and Nile River of ancient Egypt to the colossal Colosseum and the Tiber River of ancient Rome with a focus on Persuasive Writing (Writers' Workshop); character traits and biographies (Readers' Workshop); European geography; Area, Perimeter and Geometry (Fishtank); as well as, *Heredity, Survival and Selection* (Mystery Science). In addition, we have enjoyed raising donations for cancer research during the Terry Fox competition. Not to pour cold water on anyone but it has been an amazing 100 days! We look forward to the next 80 which will surely be fantastico!

Dear Parents,

It has been a busy few weeks in 4A both in the classroom and as a school! We have been working hard to prepare for our Author's Day event. Students have become fraction experts, and understand how sound works. We have also had many special events such as celebrating the 100th day of school and running for Terry Fox!

Dear Parents,

4B students have been working hard, putting the final touches on our books and scripts as we prepare for Author's Day, our Parent Event. This event will be a celebration of the writing we have done so far this year. In math, we have just completed our unit covering equivalent fractions and fraction comparison, and we are now focusing on adding and multiplying fractions. In science, we have recently started our new unit, Waves of Sound, and we are looking forward to all the fun experiments ahead of us!

Thai Teacher: Kru Namfar

Dear Parents,

This week, our Thai class was filled with fun and active learning! Grade 1 MT students continued practicing spelling, writing more words and sentences after reviewing consonants and vowels. We also celebrated Children's Day by talking about dream jobs and doing simple creative writing. For Grade 3-4 FT, students learned through differentiated activities at their own level while still joining whole-class games and tasks that encouraged real Thai communication.

Thai Teacher: Kru Fai

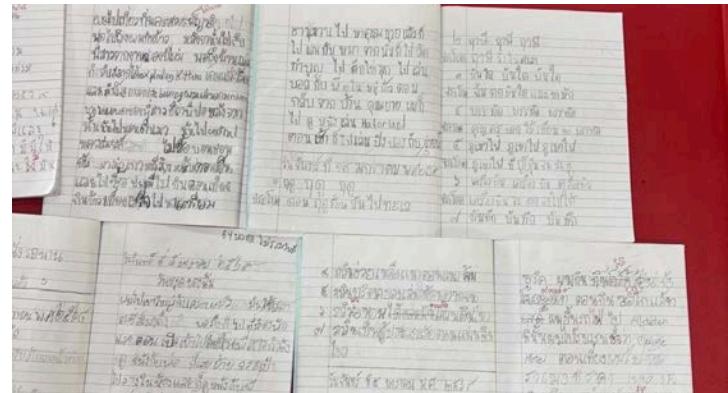

Dear Parents,

During the month of January, Kru Fai's Thai classroom has been focusing on developing students' writing skills. This includes writing answers based on stories they have read, as well as writing short compositions about familiar topics.

The Grade 3 MT students have shown very positive progress in their writing abilities. I am also very thankful for their efforts in trying to explain the importance of Terry Fox to me in Thai. Meanwhile, the Grade 1 FT students are beginning to recognize more Thai vocabulary. They are now able to say the names of some snacks and fruits in Thai.

I am truly very proud of all the students and their efforts.

Dear Parents,

Grade 2 FT students practiced vowel changes and reading through word breakdown activities. They shared examples of words from everyday life and worked together in class. Grade 4 MT students enjoyed learning about various auspicious Thai desserts, natural food coloring, and related vocabulary. Through fun games, they shared their opinions about their favorite desserts and learned about the beliefs and cultural meanings behind Thai desserts.

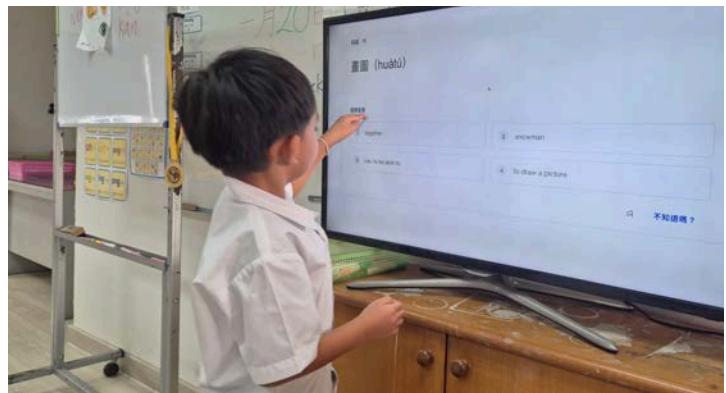

Dear Parents,

In G1 CFB, students learned the Chinese names for facial features as well as hands and feet, and were introduced to words related to the five senses. G2 CFB, students recently learned how to talk about daily routines in Chinese and shared what their everyday life looks like. And in the G4 CFB class, the topic was "Got Hurt," so students also learned how to say different body parts in Chinese.

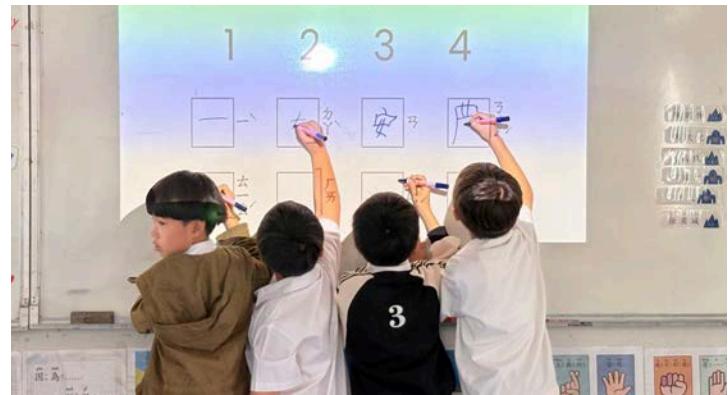

The learning content across grade levels is connected and progresses from simple to more challenging, helping students build understanding step by step and achieve better learning outcomes.

Dear Parents,

In **Grade 1 CMT**, during Lesson 2, students learned new vocabulary from the textbook and participated in a handprint activity to enhance hands-on learning. In **Grade 2 CMT**, students reviewed previously learned vocabulary through games and competitions, and they also began writing journals to develop their Chinese writing skills. In **Grade 3 CFT**, we proceeded to Lesson 5, focusing on seasons and weather to help students better understand and use related vocabulary in daily life.

Chinese Teacher: Mr. Morris

Dear Parents,

As the new year begins, students at CFT are building upon their solid foundations to explore deeper and broader topics.

Grade 1 students have learned to name and describe body parts, **Grade 3** students can now discuss visiting the doctor and describing symptoms, and **Grade 4** students have mastered expressing the causes and effects of events.

I wish all our students a fruitful and enriching year in their Chinese classes in 2026!

Chinese Teacher: Mr. Ju-Hung

Dear Parents,

Half the year has passed, and we've started making portable flashcards of the words we've learned this year for reviewing Chinese character recognition.

Students reinforce their understanding and mastery of Chinese words by writing down the pinyin and English meanings. After completing these flashcards, we will use them for many fun student learning activities.

Dear Parents,

In Chinese class, **G3CMT: New Year Wishes**. The students started by designing their own "**New Year Characters**" and making wishes. They also wrote short essays to share their new learning goals for the coming year. **G4CMT: Shadow Puppet Shows**. G4CMT students worked in groups to perform Shadow Puppet plays. First, they used AI tools to help write their scripts. Then, they used the puppets to act out the characters' feelings, such as happiness and sadness. The performances were very lively and interesting! **G2CFT: Telling Time**. In G2CFT, students are working on Lesson 7. They are learning how to read a clock and say the time in Chinese. This activity helps them connect what they learn in the textbook with their daily lives.

Dear Parents,

Our school community came together for the Terry Fox Run to honor the legacy of Terry Fox and his dream of a world without cancer. Students showed incredible determination, empathy, and teamwork as they ran and walked to support cancer research, truly living out the motto "Who do you run for?" Thank you to our students, families, and staff for your generous donations and enthusiastic support—together, we are making a meaningful difference..

ELL Section

Class: Head of ELL Support: Ms. Louise O'Donnell

Dear Parents,

This week in Elementary ELL, students have been making excellent progress in their early reading skills. We have been learning and practising new graphemes **ow, oa, ai, and ay**, and it has been wonderful to see how confidently students are applying these sounds when reading and writing.

Reading fluency and decoding skills are developing strongly, with students showing improved accuracy and confidence when sounding out unfamiliar words. Their growing familiarity with our phonics and literacy programs means they are able to access lessons and resources more independently, which is a big step forward.

We are also seeing fantastic growth in vocabulary acquisition. Students are using new words more naturally in speaking and are showing increased understanding when listening and reading. Their confidence continues to grow as routines and learning structures become familiar and predictable.

Overall, the children are engaging enthusiastically in lessons and should be very proud of the progress they are making.

Class: ELL Support: Mr. Jay

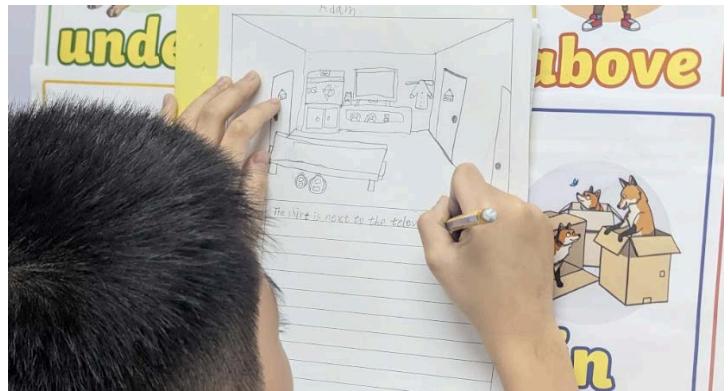

Dear Parents,

It has been an exciting start to the new calendar year with new students joining us in our ES ELL class. We have welcomed our new students through some fun interactive games. We have also got to work on a new unit focusing on the home, focusing our learning on:

- Household + Furniture Vocabulary
- Prepositions of place
- Countable/uncountable nouns

We will apply this knowledge to writing about our houses in detail, describing rooms and furniture using appropriate grammar.

The Thailand Personal Data Protection Act (PDPA)

- The Personal Data Protection Act B.E. 2562 (2019) (PDPA) was published on 27 May 2019 in Thailand's Government Gazette. ([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">• racial or ethnic origin• political opinions• religious or philosophical beliefs• sexual behavior• criminal records• health data, disability• trade union information• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

[TCIS Yearbook 2024-25](#)

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

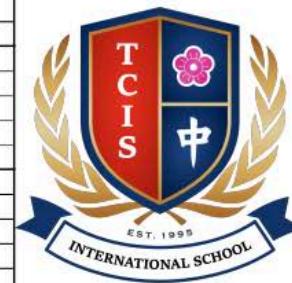

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
