Dear TCIS Family,

What an incredible week we've just had together. Spirit Week was full of excitement, creativity, and school pride, and it truly showed the amazing energy of our students and staff.

30th Anniversary Celebration

We kicked things off on Monday with a very special event—celebrating 30 years of TCIS! Every student and staff member wore a commemorative anniversary shirt, beautifully designed by our very own students. The Foundation Board also sponsored amazing cookies for all students and staff. These cookies were made by two alumni and were incredible.

Theme Days & Performances

Each day brought fun and laughter with different themes, and it was wonderful to see everyone's creativity and enthusiasm shine through. Friday's grand finale—the High School performance—was the perfect way to end the week. The talent, hard work, and spirit of our students truly amazed the entire community. A huge thank you to all who participated and helped make Spirit Week one to remember!

A Glimpse of the Future

Have you stopped by the Registrar's Office lately? If not, here's a reason to drop in: there's now a model of the new campus on display! The model includes the exciting plans for four new buildings that will expand and enhance our learning environment. It's inspiring to see what the future holds for TCIS, and we can't wait to share this journey with all of you.

Go Wolves!

Our sports teams have been working hard and it's paying off and the TCIS Wolves are winning! The energy from our athletes, coaches, and fans has been fantastic. Thank you for cheering them on and showing your school spirit.

Together, weeks like this remind us why TCIS is so special. Here's to many more celebrations, achievements, and wins ahead!

Reporting Contagious Illnesses and Deep Cleaning

At TCIS, the safety and cleanliness of our school environment is a top priority. When we receive confirmation of contagious illnesses, we immediately implement our deep cleaning protocols to help prevent the spread of infection. To ensure a timely and effective response, we kindly ask that **all confirmed cases of contagious diseases be reported to the school nurse as soon as possible.** Your cooperation is essential in helping us maintain a safe and healthy learning environment for all. Thank you for your continued support.

Kind regards,

Dear TCIS Family,

Welcome New TCIS Staff

We are pleased to welcome Ms. Aey and Mr. Mos to our storeroom team. They will be responsible for managing the school's stationery and assisting with the sale of school uniforms to parents and students. Please join us in extending a warm welcome as they begin their new roles in supporting our school community.

Recognizing Our Incredible Support Staff

Behind the scenes at TCIS, we are fortunate to have an incredible team of staff who work tirelessly every day to ensure the smooth operation of our school. From our registrars, general affairs personnel, purchasing, cashier, accountant, admissions and HR teams, to our maintenance crew, cleaning staff, drivers, government liaisons, and security personnel — each plays a vital role in maintaining TCIS's reputation as the best international school in Thailand.

Whether it's handling daily campus operations, managing teacher visas, licenses, and work permits, preparing for on-campus events, or representing TCIS at off-campus events such as the 30th Anniversary Gala or student recruitment fairs, these dedicated individuals consistently go above and beyond.

Their professionalism, commitment, and behind-the-scenes efforts make a significant impact every day. I am truly grateful and proud to work alongside such a hardworking and passionate team.

Thank you all for everything you do.

Dear Parents,

A warm welcome to Airin, Kate and Sweeney who are adjusting beautifully to their new learning environment. They are active, curious, and full of joy as they explore and participate in class. With growing confidence, they take on every task given to them, showing excitement and dedication in all they do. It is wonderful to see their happy smiles and eagerness to learn each day

Dear Parents,

We are thrilled to begin the school year in our beautifully renovated, ocean-themed classroom! The children have been enjoying every moment as they explore the bright and welcoming space, making learning even more exciting. We kicked off the year with our **All About Me** unit, where the children had a wonderful time naming body parts, talking about what makes up a family, listening to songs and rhymes, and joining in hands-on, engaging activities. It has truly been a joyful start, and we are looking forward to many more fun learning adventures together this year!

Dear Parents,

We have spent two fun weeks together. On the very first day of school, thank you to all the parents for joining us. We made a lovely handmade bag together, and it truly became an unforgettable memory.

During these two weeks, we learned how to line up, drink water, put on shoes, and brush our teeth in the Chinese classroom. Each PK3B student has their own unique qualities. We are so proud of their progress. We look forward to seeing more of their smiles and laughter. Together, we will continue to learn and grow every day.

Dear Parents,
What a fantastic start to our Preschool 3 adventure! We are absolutely delighted to begin this exciting new journey with our bright, curious, and joyful little learners. These first two weeks have been full of smiles, laughter, and lots of learning as we've jumped right into building friendships and exploring our classroom community. Over the past two weeks, we've been busy exploring a variety of fun and foundational concepts! The children have been learning about shapes, recognizing their names in print, and enjoying classic nursery rhymes through songs and storytelling. We've also been speaking about families—what makes them special and how each one is unique.

Dear Parents,

Our PK4 students had a wonderful start to the school year! They've been busy learning classroom routines and the most important rule of all — being kind to one another. They are also practicing cleaning up after playtime and meals, showing great responsibility already! This month, students worked hard on recognizing and writing their names using an uppercase letter at the beginning, followed by lowercase letters. They're making great progress and showing so much pride in their work! One of the highlights of the week was creating their own paper “selves,” dressed in school uniforms. The children loved designing and decorating their figures — it was a big hit! Way to go, PK4 students — we’re so proud of you!

Dear Parents,

Welcome to PK4! We are so happy to see the children in August, starting a new school year together. With our fresh classroom theme, **Under the Sea**, the children are enjoying their new environment.

This month, they are building independence by taking care of their belongings, cleaning up after snacks and playtime, and engaging more with friends. They also explored different tools such as clay, colored pencils, whiteboard markers, digital writing boards, and scissors.

Our theme of the month is **"All About Me."** The children are getting used to daily routines like listening to the Morning Message, greeting each other, taking attendance, and singing and dancing while learning Chinese.

Dear Parents,

It has been such a joy to welcome our students back into the classroom! We've had a wonderful start to the school year, and it's been truly heartwarming to see students meeting new friends, reconnecting with one another, and forming a strong classroom community together.

During these first days, students have been working hard on a variety of important skills. We've practiced writing names using both capital and lowercase letters, explored sorting and identifying different shapes, and started to establish our classroom routines that will help us learn and grow all year long.

I am so proud of the excitement, effort, and positive energy students have brought to our classroom already. This is just the beginning of a fantastic year ahead, and I am so grateful to partner with you in your child's learning journey.

Thank you for your support as we get started—I'm looking forward to all the growth, discoveries, and celebrations to come!

Warmly,

Ms. Mikia

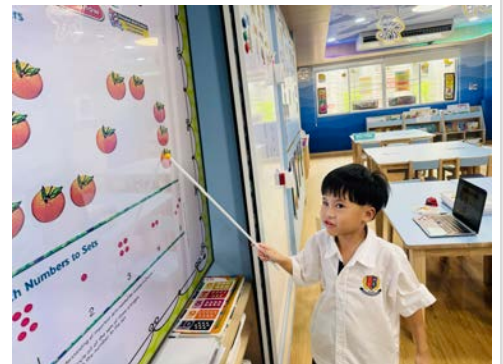

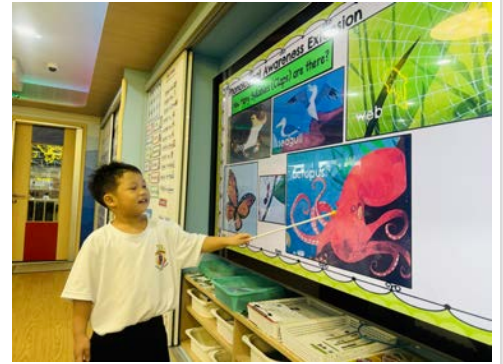

Dear Parents,

It has been a pleasure watching our KGA students settle into their new learning space with awe and excitement. From the very first days, they have been eager to explore, discover, and participate in activities that nurture both their learning and growth. It is wonderful to see them beginning to build routines, develop friendships, and show curiosity as they engage with new experiences.

Spirit Week was a joyful highlight, giving students the opportunity to celebrate together, express themselves, and strengthen the bonds within our school community. The energy, creativity, and enthusiasm they brought to each day made this start to the year truly special.

As we continue through the weeks ahead, Ms. Toon and I look forward to watching the children's learning deepen, their confidence grow, and their joy in discovery flourish.

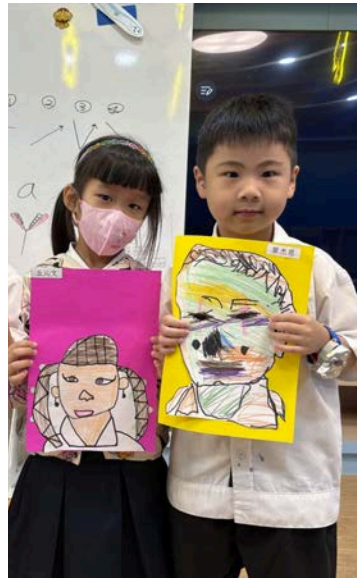

Dear Parents,

Welcome kindergarteners to a new school year! In our first month of KG Chinese class, the children have been getting to know each other and learning classroom routines. I am so proud of how curious and enthusiastic the children are. Each week, we will continue to build vocabulary through songs, games, and stories. Thank you for your support at home, and I look forward to a wonderful year of learning together!

Dear Kindergarten Parents,

What a wonderful start to our year! I am so delighted to be your child's teacher this year and I am looking forward to the amazing learning experience we will have this year. I am grateful for the continued support from all of our parents and families thus far, and I am confident that as we work together, we will have a very successful school year.

In the first three weeks of school, students have been learning A LOT! We have learned our classroom and school rules, along with how to be a great student and friend here at TCIS. We have been reading and writing a lot and have been practicing writing and representing numbers 1-5. I look forward to our continued learning experience in KGC!

Dear Parents,

In our ECE, PK2, and KG Thai classes, the children started the first week of school with great enthusiasm and joy in learning. I hope this year will be filled with happiness and meaningful learning experiences for all of them. Together, we will learn and have fun every day.

Dear Parents,

PK3: Practiced straight line tracing to strengthen fine motor skills, listened to a moral story, answered questions, and shared ideas. They also practiced sitting quietly before class to calm their minds and focus, helping them engage better in activities.

PK4: Practiced straight, curved, and zigzag lines to build fine motor skills, and recited ก-ง with fun body movements to support recognition and confident reading of Thai consonants. Before class, they practiced mindful sitting to develop focus, emotional control, and readiness for learning, which helps them participate more effectively in writing, reading, and group activities.

Dear Parents,

In the past two weeks, our PK2 students have been busy learning Chinese through songs and fun activities. We sang the 〈你好歌〉 and the 〈手指家庭歌〉 together, practicing how to greet and say goodbye in Chinese. We also learned about family members such as daddy, mommy, older brother, and younger sister. The children have already started to repeat after me—it's a wonderful beginning!

Since they enjoy hands-on activities, we also included crafts like tearing and pasting, which help develop their fine motor skills. We are excited to see PK2 growing and learning step by step. Go, PK2 students!

Dear Parents,

We're excited to kick off a new year of movement, play, and fun in PE class! Our youngest learners will explore games, practice fundamental skills, and build healthy habits—all while moving, laughing, and learning together. In ECE we are currently working on building up our fundamental motor skills through fun games!

Personal Data Protection Act (PDPA)

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">• racial or ethnic origin• political opinions• religious or philosophical beliefs• sexual behavior• criminal records• health data, disability• trade union information• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten

- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
