Dear TCIS Family,

What an exhilarating week it has been at TCIS—one of our busiest yet! From important safety initiatives to memorable cultural experiences, we had much to celebrate.

We kicked off the week with a bus safety training for all staff, underscoring our commitment to student safety. Two buses visited campus, and the bus company provided an informative session in both Thai and English, outlining essential safety procedures. For those unable to attend, we have recorded the session to ensure all staff are up-to-date for future training. A special thank you to the CPR members for their participation.

Preparations for Week Without Walls were in full swing throughout the week, with Mr. Kevin and Mr. Richard working tirelessly to ensure every detail is in place. Their dedication guarantees that the program will offer our students not only a safe environment but also a rich, hands-on learning experience that aligns with our mission to shape Life-long Learners and Global Participants.

We were thrilled to host the National Experimental High School at Hsinchu Science Park for two days. Mr. Tony organized a fantastic agenda that gave our visitors a true taste of TCIS life, including a school tour, participation in Wolf Day, a basketball game, and a chance to experience our Loy Krathong celebration. It was a wonderful exchange, and we are sure they will leave with great memories and positive stories to share about our school.

In ECE and elementary, the excitement continued! The new ECE playground opened, and the joy on our students' faces says it all. We also had the pleasure of presenting the new facility to the CPR, and I would like to thank them for their enthusiastic support and kind feedback. The Grade 3 and 4 intramural football contest has also been a big hit, and everyone is looking forward to the finals on Friday, November 22nd. Parents are encouraged to come cheer on the teams! Thanks go out to Dr. James and Mr. Ju-Hung for their initiative in organizing this competition.

Of course, the highlight of the week was our beautiful Loy Krathong celebration. My deepest gratitude goes to Kru Rung and all of our Thai teachers for organizing such a meaningful cultural experience. The participation of our students and community made it truly heartwarming, and the entire event was a testament to the richness of Thai traditions.

As we continue through the year, I want to thank each of you for your ongoing support. Our community is growing stronger every day, and I truly believe our best is yet to come.

Warm regards,
Dr. Michael

Dear TCIS Family,

I would like to extend my heartfelt gratitude to all the Thai teachers for their outstanding efforts in making this year's Loy Krathong celebration so beautiful and memorable.

Loy Krathong is not just a festival, but a meaningful expression of gratitude and respect for the water that sustains us, and your hard work brought this cultural significance to life in such a special way. While the unexpected change of location from the outdoor area to the 5th-floor gym presented a challenge, it ultimately enhanced the atmosphere and made the event even more magical.

I am also deeply thankful to Mr. Frank, the TCIS Board, and to Ms. Carol for their presence and support at the event—it truly meant a lot to us. Together, we have made this celebration a meaningful experience for the entire TCIS community, and I am so proud of the spirit and dedication everyone brought to this occasion. Thank you again for your passion and commitment in making this event a success.

Regards

Kru Rung

Dr. James' Message

Dear TCIS Family,

Loy Krathong - A Heartfelt Appreciation

I want to express my sincere appreciation to our incredible Thai team for making this year's Loy Krathong celebration truly special. The event was a wonderful experience for the whole school community, and we couldn't be more pleased.

Though unexpected rain resulted in a move to the 5th-floor gym, it actually enhanced the atmosphere, with the LED backdrop beautifully complementing the stage performances. Our young students looked adorable in their Thai cultural outfits, and the secondary school performances were impressive.

A special thanks to our General Affairs team, IT Department, and maintenance staff for their hard work behind the scenes. We are lucky to have such dedicated and talented teams who ensure every event runs smoothly. We are already looking forward to next year's celebration and are grateful to our Thai team for their passion and commitment to making this event (and every event) a success. [Loy Krathong Photos](#) and [Parent/Child Fashion Walk](#)

Upcoming Events (There are many!)

November is full of exciting activities for all divisions. Here is a summary of the upcoming events.

- November 19th, 2024: Grades 1 & 2 Field Trip - [Arun Farm Village Field Trip Poster](#)
- November 19th, 2024: Grade 3 & 4 Field Trip - [Mori Mori Farm Field Trip Poster](#)
- November 21st, 2024: Track and Field Event (Parents are Invited. Restricted areas. Full day Event) [Link to Information](#)
- November 22nd, 2024: G3/G4 Intramural 3rd place and Championship Games (Parents invited. 2:00pm arrival)
- November 25th, 2024: ECE and Elementary Sports Day (Parents Invited).

G3 & G4 Intramural Football

Our first TCIS G3/G4 Intramural Football Championship has been well received far beyond our expectations by students, parents, and our teachers. 40 students (and 8 team managers) signed up, and we completed all the first round games last week. On **Monday, November 18, 2024**, four teams will play in the semi-finals: **Bulls vs. Eagles** (9:00am) and the **Lions vs. Elephants** (12:00pm). [2024 TCIS G3-G4 Intramural Football Schedule](#)

On Friday, November 22nd, 2024 two games will be played: the game for 3rd and 4th place, and the final game for the championship. After the games, we will present the medals and trophy. The games will begin at approximately 2:20pm. **Parents are invited to attend after 2:00pm, on Friday.**

New ECE Playground

Our new ECE playground opened to students (and parents 😊) last week. [The CPR Playground Presentation](#) was also last week, and they were delighted with the upgrades. Everyone is enjoying the upgraded facility. The official ECE playground opening and dedication ceremony will take place on Monday, November 18th, 2024. We will take lots of photos with students to share after the opening.

Bus Safety Training

On Monday, November 11th, 2024, all faculty took part in bus safety training. We learned the safety features of the buses, and how to escape options in case of emergency, including how to use the emergency doors from inside and out, and how to break windows of the bus. Staff who were unable to attend the training will watch a recording of the training. Thank you to the Class Parent Representatives that attend the training.

Field Trips

The date of the field trips is Tuesday, November 19th, 2024, and the locations are:

- Grades 1 & 2: [Arun Farm Village](#), Chonburi
- Grade 3 & 4: [Moori Moori Play Farm](#), Bangkok

Travel to and From Field Trip Locations - **All Students on the Bus**

Please Note: All students must go on the bus provided by the school to the field trip locations. All students will leave the TCIS campus together on the bus, and all students must return to campus together on the bus. Parents may not bring their children to the field trip locations and are not permitted to pick-up their children at the location. Additionally, parents are not permitted to follow students to the field trip locations to shadow their children at the location during the day. Thank you for supporting these important safety procedures. **Very Important: On Time for School** Please arrive at school by 7:15am or before on the morning of the field trip. It will be **very important** to arrive at school on time, as the buses must leave the campus as scheduled and will be unable to wait.

ECE and Elementary Sports Day

The ECE and Elementary Sports Day will take place on **Monday, November 25th, 2024**. Mr. Brad has sent out detailed information to parents and students. Here is the link to the [2024 TCIS ECE and Elementary Sports Day](#) general information. It is going to be a great day!

Kind regards,

Dr. James Email: james.cooke@tcis.ac.th

THAI FIELD TRIP

NOVEMBER 19, 2024

G.1-2

LET'S GO

ADVENTURE

AT ARUN FARM VILLAGE
CHONBURI

7:30 - 3:00

Things to prepare

- small backpack
- water bottle
- some snacks
- wet tissue
- sunscreen
- hat
- hand sanitizer

DUE TO THE GRADE 1 CURRICULUM FOCUSING ON ENVIRONMENTAL CONSERVATION THROUGH THAI FOLKTALES, AND THE GRADE 2 CURRICULUM EMPHASIZING PRIDE IN THAI HERITAGE, WISDOM, AND THE SUFFICIENCY ECONOMY, WE ARE ORGANIZING A FIELD TRIP TO ENHANCE STUDENTS' UNDERSTANDING OF THE ENVIRONMENT. THIS TRIP WILL ALSO PROVIDE STUDENTS WITH HANDS-ON LEARNING EXPERIENCES.

ACTIVITIES

1. Learning Station: "Zero Waste Environment"
2. Learning Station: "Agricultural Technology"
3. Stamping fabric bags with flowers
4. Shrink Plastic

DRESS CODE :

PE Uniform

MOORI MOORI FARM

Grade 3-4 Thai Cultural Field Trip 2024/2025

MOORI FARM

THAI CULTURAL FIELD TRIP

Place: Moori Moori Play Farm Moori Moori Play Farm

Date: November 19, 2024 (Tuesday)

Departure time : 8:30 AM

Arrived at school: 2:00 PM

Grade level: G.3/G.4 (38+45=83 students)

Teacher: Kru Fai and Kru Yim

Chaperone: Mr.Niel, Mr.Gabriel, Mr.David,Ms.Emily,
Mr. Morris, Ms.Jamie

Learning Unit: Be proud of Local Environment

Dear High School Parents,

First of all, we would like to wish all of you a very happy Loy Krathong. Our Thai Department and students put on an incredible Loy Krathong celebration. The entertainment was amazing with a fashion show and some fantastic student performances.

We have an exciting weekend ahead, as we prepare for the Week Without Walls Trips to Korea and Cambodia. They have a variety of activities scheduled that focus on Culture, Community Service and Adventure. Students going on the trips will need to wear their uniform polos to the airport.

*Students going to **Korea** will meet on **November 17th, Sunday night by 9:30pm** at TCIS.

*Students going to **Cambodia** will meet at **Suvarnabhumi Airport by 4:30am, Monday morning, November 18th.**

Students not going on the Week Without Walls trips will be required to attend regular school at TCIS in which they will be completing a variety of group assessments for different classes.

We would also like to welcome Ms. Catt as our new High School Secretary. Ms. Note will be moving abroad and we will surely miss her. Ms. Catt can be reached at cattleya@tcis.ac.th.

Sincerely,

Kevin Curran
Head of High School

Dear Middle School Parents,

November has been an exciting and productive month at TCIS! With few breaks in the calendar, it's been the perfect time for focused learning and enriching activities. Here's a glimpse of the many accomplishments and events that have kept our middle school buzzing with energy.

Science classes conducted hands-on experiments and are gearing up for the much-anticipated Science Fair on November 29th. Chinese classes hosted a visiting school from Taiwan, offering a warm welcome with campus tours, cultural exchanges, and culminating in Wolf Day sports activities. Thai classes celebrated culture with traditional dress, krathongs, and captivating performances. Math classes showcased their skills during an international math competition, while English classes dove into literature and crafted creative presentations. Robotics tinkered on projects, Music department hosted concerts, and Art expressed creativity.

Every class has been alive with learning and engagement, making November a truly dynamic month.

Preparations for our annual Week Without Walls trips are in full swing! Grades 5 and 6 will head to Si Racha for a three-day, two-night adventure, followed by two field trips. Grades 7 and 8 will embark on an experiential learning journey to Chiang Mai, departing this Sunday.

Students who remain on campus will collaborate on a research project aligned with the themes of the trips, contributing to their summative assessment grade and fostering growth in our SLOs.

Our badminton and soccer teams have been training hard, already competing in matches and embodying the Wolf spirit. Over the weekend, FASCA students showcased their language skills and shared Taiwanese culture with the community. The Middle School Student Council has been busy organizing our upcoming Sports Day on November 26th. We also inducted new members into the National Junior Honor Society!

November has been packed with milestones, and there's still more to come before we wrap up the term with Christmas Break on December 13th.

Thank you for your continued support in making this a memorable month for our middle school students. Together, we're building a vibrant, connected, and inspiring learning environment.

Richard E. Poulin III
Head of Middle School
richard.poulin@tcis.ac.th

Loy Krathong

Learning in Action

Dear TCIS Family,

We'd like to share some insights into the important role engagement in learning and play has in supporting your child's academic success. When students feel comfortable participating in activities, trying new things, and interacting with peers, they build essential skills, gain confidence, and improve their focus—all of which contribute to better learning outcomes.

However, for some young students, anxiety can create barriers to full participation. This may make it difficult for them to focus, engage in class discussions, or confidently complete tasks, all of which can impact their academic performance.

At home, you can help reduce these feelings by creating a calm, predictable routine. Encourage open conversations about their feelings and offer reassurance, letting them know that it's normal to feel nervous sometimes. Practicing simple relaxation techniques, playing cooperative games, or reading stories that address fears can help them develop coping skills. These small but impactful steps can increase their confidence, allowing them to engage more fully at school and boosting their academic growth.

Please feel free to reach out if you have questions or would like additional resources.

Warmest regards,

Ms. Juanita Katherine Wilson M.Ed
Head of Student Services

Dear TCIS Family,

🏆 **TCIS Track and Field Event Announcement** 🏆

We're excited to host this year's Track and Field event on **Thursday, November 21st** at the TCIS campus! Six teams from the AISAA league will be joining us, bringing together some great talent for a full day of competition. TCIS students have been practicing during PE classes over the past few weeks, preparing to give their best in each event.

Event Details

- **Date:** November 21st, 2023
- **Location:** TCIS Campus
- **Participating Teams:** Six AISAA schools, including our own Wolves team

Please take a look at the [SCHEDULE](#) of the event, as well as the students competing in the event. [TCIS TRACK TEAM](#)

Spectators

Parents are warmly invited to come and support our student-athletes. Your cheering and encouragement make a big difference! 🐾

Elementary School Access

Since it's the same week as Week Without Walls, all Elementary School students will have the chance to watch and cheer on their peers without any interruptions from Middle School or High School classes.

Food and Refreshments

The canteen will be open all day, allowing students to purchase lunch and snacks as needed.

Important Reminder

If your child is unavailable on November 21st, please inform us as soon as possible.

Let's make this a fantastic day to remember for our Wolves!

Go Wolves!! 🐾

If you have any questions, please reach out to either Mr. Sean or Mr. Brad

Dear Parents,

The last month has been a whirlwind of events and learning. Our Grade 1 scientists have been diving deeper into our Plants unit and developing amazing observation and design skills inside and outside the classroom. We are seeing these students' brains grow right before our eyes with their developing mental math skills (ask them about their doubles facts!). Finally, our English units are all about nonfiction books and informational writing. Our writers are becoming experts in their reading and writing of topics they love! It's an honor to watch and support these boys and girls become stronger, kinder, and more mindful children every day.

Dear Parents,

It's been another fantastic week here at TCIS! We've had a lot of fun and learning in our classrooms, and we'd like to share some highlights with you. In **Science**, students have been diving into the world of plants. This week, we took our learning to the science lab, where we built our very own umbrellas to mimic the structure of trees! The students had a great time experimenting with different designs, and next week, we will continue to improve our creations to ensure they don't blow over in the wind—just like how trees must stay strong in nature. As always, there are some exciting events coming up! Be sure to mark your calendars for our **Thai Field Trip**, **Thanksgiving celebration**, and **Sports Day**. More details will be coming soon, so stay tuned! We appreciate all your continued support and look forward to an even more exciting week ahead!

Dear Parents,

Last week we had some special guests join us in 2A: Dr. Miho and the High School Mental Health Awareness Club! We learned all about mindfulness, how to breathe and picture ourselves relaxing. They also taught us how to do really cool origami stars! Check out the photos below of the fun time we had! Thank you Dr. Miho and Mental Health Awareness Club!

Dear Parents,

In October, Room 2B had a fantastic time exploring various activities! Before our October break we were busy with Diorama Day, where students created amazing habitats, showcasing their creativity and understanding of different ecosystems. As Halloween approached, we embraced the spooky spirit with fun crafts and stories. Throughout the month, we also learned about the special features of nonfiction books, helping us gather fascinating facts, and practiced subtracting with borrowing, sharpening our math skills. It was a month filled with creativity, learning, and fun!

Dear Parents,

In science class, students had a hands-on experience exploring how fossils are formed! Using playdough, they created imprints of various objects, mimicking the impressions left by ancient plants and animals. After pressing their objects into the playdough, students carefully filled the imprints with glue, which hardened over time, leaving behind a "fossil" cast. This activity not only sparked their creativity but also deepened their understanding of fossilization and the natural history recorded in rock layers. The excitement in the room was contagious as students uncovered their own unique fossil replicas! We had a lot of fun!

Dear Parents,

November brings exciting learning adventures to our classroom! We had a spooktacular Halloween, riveting science lesson identifying traits and building a community of learners. In Reader's Workshop, Unit 2 - *Reading to Learn*, we'll dive into informational texts, mastering strategies to make connections, identify main ideas, and use text features to deepen understanding. In Writer's Workshop, Unit 2 - *The Art of Information Writing*, 3B students will research topics they love, creating engaging informational pieces with illustrations. Our Math focus on Fishtank Multiplication and Division, Part 2 will make problem-solving meaningful through real-world applications so we become great mathematicians. In STEM, the "Fates of Traits" Mystery Science unit will once again spark curiosity as we explore heredity and natural selection. It's a quarter full of discovery and growth!

Dear Parents,

In science class, all of 4th grade worked together in the lab to explore volcanoes and lava. We used flour and water to simulate different types of lava and tested how they affected the eruption of various forms of volcanoes. By experimenting with the flour and water, we were able to observe how the thickness of the lava influenced whether a volcano would erupt explosively or remain calm. This hands-on experiment helped us to strengthen our scientific understanding, and allowed us to collaborate as a grade level! We had a blast, even when it got a little messy!

Dear Parents,

4B had a great time on Hallaoween at the carnival and trick-or-treating! Thank you to all the parents for your hard work and contributions. We have been busy working on our informational posters about natural disasters, and will be presenting them soon. We have also been learning all about how volcanoes form and erupt in STEM. In math, we are sharpening our multiplication, division, and word problem skills. We are looking forward to celebrating Loy Krathong as well as our upcoming field trip to Moori Moori Farm!

Dear Parents,

G.4 MT learned the lesson 'Fun to Play,' where we explored many traditional Thai games from the past! We shared our opinions on how these games compare to the ones we play today and discussed ways to enjoy games while staying focused on our studies. We looked at pictures and guessed which traditional Thai games they showed. Playing together in teams was fantastic, and afterward, everyone shared their favorite games and why they loved them. Through these activities, we learned about unity, sportsmanship, and teamwork. Well done, everyone!

Dear Parents,

The students in the CFB class are making good progress. They spend one day in the CFT classroom and the next day in the CFB classroom to review and focus on details. This plan helps them learn quickly and effectively. During the class, students not only focus on individual learning but also practice working together. They help each other and cooperate to complete different exercises and tasks. This teamwork makes learning more enjoyable and helps everyone improve.

Dear Parents,

Our third-grade CFT class is currently working on vocabulary related to birthday parties. We practiced various food and drink names in Chinese through a fun Q&A Bingo game, helping students become more familiar with everyday vocabulary. In the second-grade CMT class, we've been focusing on Chinese idioms and their stories. We discussed the stories behind "The Foolish Old Man Moves the Mountains(愚公移山)" and "Waiting by the Tree for a Rabbit(守株待兔)," allowing students to deepen their understanding of the wisdom these idioms convey. Our first-grade CMT class is nearing the end of our Zhuyin instruction, and students have shown great improvement in both Zhuyin reading and spelling. This progress will greatly support their foundation in Chinese.

Dear Parents,

In the second quarter, students had a great start. They have become more focused and actively engaged in classroom activities. The G1 CFT students have learned how to talk about breakfast items and can express themselves in sentences. The G3 CFT students have learned how to invite friends to birthday parties and can create menus in Chinese. The G4 CFT students have learned how to describe the flavors of food, categorize food by flavor, and express their preferences for certain food flavors. I'll continue to work hard and make progress every day.

Dear Parents,

It's time for everyone's favorite unit word game again. This time, we have more words and the challenge is higher.

Whenever we complete a unit of study, we will play a team word game. This is a game that everyone likes. Through teamwork and competition, it enhances the fun of learning and also improves students' ability to read Chinese characters.

Dear Parents,

It's been a fantastic month with tones of fun and challenges this month. In G3CMT, students prepare for the drama 我該怎麼辦? by practicing their lines and working together to set up simple props. We start by reading through the script, learning parts, and helping each other memorize the lines, and trying out different ways to express their characters. During rehearsals, students laugh, cheer each other on, and even add some creative ideas to make their scenes more interesting. We feel excited and proud to playing roles in front of the classmates. It's a great experience to bring the story to life together.

Dear Parents,

This month, students were focusing on their concert practice. They were working really hard and tried their best to make it better. The following is the concert information, parents are welcome to come and enjoy our students' performances.

ECE Winter Concert

December 9,
Monday
8:15-8:55
360 Hall

Color for the concert

PK2: Green
PK3: Red
PK4: White
KG: Blue

ES Winter Concert

December 11,
Wednesday
8:15-8:55
360 Hall

Color for the concert

Gr.1: Green
Gr.2: Red
Gr.3: White
Gr.4: Blue

You can check the information in [this link](#).

Dear Parents,

In ELL we have completed Unit 3 Fun in the Sun. Students learned about different activities and sports that can be played outside. Students have been able to take this information to write their own non fiction book about outdoor activities. Our current focus sound is oi and oy. In grammar we have been reviewing nouns and how they can be plural and possessive.

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">• racial or ethnic origin• political opinions• religious or philosophical beliefs• sexual behavior• criminal records• health data, disability• trade union information• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

Nurse Arisara Suktrakool (Yok) **Email: nurse@tcis.ac.th** **Phone 02-751-1201 ext. 220**
