

TCIS ASEP SPECIAL GROUP CLASSES 2018-2019 SEMESTER 1

Baking & Cake Decorating

Ms. Belle & Ms. Joy

Thursday

G3-G8

(10 Sessions)

Join the fun & learn to bake cakes, cupcakes, cookies, make pasta and decorate cakes. Learn the fundamentals of baking and decorating.

**Course fee: 5000 baht per student inclusive of material fee.

Photography Club

Mr. Shaun

Tue, Wed or Thur

G5-G12

In Photography Club, students of all skill level can explore their creative side with themed photography missions around the school and neighborhood. Students will experiment with composition, lighting, and learn basic photography rules and some post editing tutorials.

**Students must provide their own Digital SLR camera for this class.

Lego Robotics Education

Dr. Kevin

Tue: KG-G1

Wed: G2-G4

Thur: G5-G8

LEGO activities have taken center stage in much of our play and learning time. Of course all these awesome LEGO activities include science experiments and STEAM challenges! LEGO is all about building, creating, exploring, and expanding the imagination. Lego Robotics teaches us how to problem solve and use intricate details to make a design come alive.

Friday

PK4 - G4

Drawing, Painting & Self Expression

Ms. Cream

In this course students will learn to express themselves authentically and freely through art by creating multiple paintings, drawings, collages, printmaking, and mixed-media art projects with variety of art techniques

Magic Club

Mr. Jeff

Thursday

G3-G8

The Magic Club's focus will be on teaching students skills necessary to perform amazing feats of magic, sleight of hand, misdirection and mentalism. Students will be encouraged to practice and perform as much as possible, which will help them with their communication skills, social skills, performance skills and confidence.

Zumba Kids

Ms. Gigi

Thur: G1-G4

Wed: G5-G8

Zumba Kids giving children an outlet to jump, dance, shake, and swing their hips, it's the perfect recipe for fitness fun. Zumba Kids also adds age-appropriate games and activities, helping children gain coordination, self-confidence, overcome fears and learn about teamwork.

MO Math Outside Teachers

Wednesday
KG - G5

MoMath makes mathematics simpler for children because we will teach them techniques that would help them understand mathematics quickly and easily. MoMath consists of several levels which will benefit children in all areas of Math. It is a fast and simple way to learn Math based on the Singapore Math curriculum. Check out more information about the program from <http://themomath.com/>

- **Fee: 500 baht per student per class.
- **Classes begin with 6 students.

Middle School Players Drama Club

Mr. Victor
Tue, Wed, Thur
G5-G8

The "Middle School Players" drama club is all about learning the art of acting. Each session will be full of acting games and instruction, and will lead to students performing their own skit-based variety show as a culminating performance. This is a great way for students to improve their public speaking skills and increase their confidence, while having fun and letting off steam.

Chinese Course for Parents

Wednesday

Ms. Jane

Parents, this is your chance to join a class and learn to converse in Chinese! It will be fun!

Origami Club Ms. Anna

Thursday
G1-G4, MS, HS

Students will learn how to make origami and work on seasonal origami crafts. Origami requires no cutting pasting. It challenges students to have a steady mind and focus.

Fee: 400 baht (per student per class)
Classes begin when 3 or more students are signed up
